- Consider weather conditions when burning.

No permits are required at this time. Please ensure guidelines are followed. If you have questions around installation and/or use of fire pits please contact the Town Office or Beaverlodge Fire & Rescue. A pamphlet with all guidelines is available at the Town Office.

PUBLIC WORKS NOTICE

Over the next 2 weeks the Public Works Department will be conducting their semi-annual water main flushing throughout the town. During this time you may notice that your water looks dark or cloudy. This is normal as the lines are flushed and poses no hazard. If this occurs just run the water for a few minutes until it runs clear. Thank You for your patience.
