RCMP UPDATE...

The Beaverlodge Detachment is pleased to announce that on August 12, 2019 the County of Grande Prairie No. 1 passed a motion to provide funding for "Option 1" Enhanced RCMP Members that will work out of the Beaverlodge Detachment. Their focus will be patrolling the Beaverlodge portion of the County, specifically to engage with the public, gather intelligence, and reduce crime.

Crime Prevention for August is – Theft of Vehicle and Theft from Vehicle.

The RCMP want you to be part of the solution! This includes always locking your vehicles, removing keys, removing all valuables, and closing your windows. We all have a part to play in preventing crime, and simple changes can reduce the risk of auto theft.

Did you know?

Organized criminal groups benefit from regular citizens through property crime, there is a distinctive link between property crime and organized crime. Thanks to our Crime Reduction Strategy, we are identifying and targeting individuals who hurt our communities the most by driving the stolen goods market.
