

Social Services Support for COVID-19 Funding Criteria

Overview

The Alberta Government is providing \$30 million to municipalities, charitable and non-profit organizations to provide help to individuals, seniors, families and other vulnerable Albertans who are isolated or impacted by measures to contain COVID-19.

Through grants from their local Family and Community Support Services (FCSS) in Edmonton and Calgary, and from Family and Community Support Services Association of Alberta (FCSSAA) representing the remainder of the province, funding will be distributed to civil society organizations.

These organizations will support a range of services needed from at-home help for seniors, crisis and helplines, food security issues, emotional and mental health counselling or any other identified community issues.

FCSS Funding Distribution

The \$30 million in funding will be distributed to the following municipalities:

- \$7 million to Edmonton FCSS (one-time grant)
- \$9 million to Calgary FCSS (one-time grant)
- \$14 million to Family and Community Support Services Association of Alberta (FCSSAA) to municipalities and Metis Settlements outside of Edmonton and Calgary (one-time grant)

- Municipalities and Metis Settlements who require funding will be required to submit a funding request to the FCSSAA.

As funding is being distributed outside the scope of the FCSS Act and Regulation, the 80/20 funding rule will not apply.

Charitable and non-profit organizations are encouraged to connect directly with their local FCSS program to receive detailed funding guidelines and grant criteria. FCSS will work closely with Community and Social Services (CSS) to obtain project approvals.

Grant funding must be expended by March 31, 2021. Any surplus dollars from the grant must be returned and cannot be carried over to the following fiscal year (2021/2022).
