

BEAVER TAILS E-NEWS

Volume 1 / Issue 1

COUNCIL'S CORNER

We asked our Mayor Gary Rycroft about what he thought of the Beaver Tails E-News, he said:

"I think it is another excellent avenue to inform our residents about the Town. Along with the local paper, and social media, hopefully we are reaching everyone. I'm excited to see the response we get from our residents."

The next Regular Council Meetings are March 11 & 25.

ADMIN ALCOVE: WHY SHOULD I LICENSE MY ANIMALS?

This question is frequently asked down at the Town office. The reason you should license your dogs and cats with the Town is that it provides you with a method to find your animals if they happen to get out. If a concerned resident finds them roaming around, or even our Peace Officer, they are able to bring them to the Town Office so we can contact you. It also allows the Town to be able to track how many animals are in each household, for statistical purposes.

FIRE/RCMP STATS

The Beaverlodge Fire Department responded to 13 calls for service in January. There were 9 medical co-response, 1 motor vehicle fire, 1 structure fire, 2 false alarms.

FIREFIGHTER RECRUITMENT is open between March 1st- April 1st 2019. If you're interested contact Fire Chief Stan Metcalfe (780-933-8168) or check out "Beaverlodge Fire Rescue Team" on Facebook for more information.

The Beaverlodge RCMP Detachment responded to 48 calls for service in the first 19 days of February. There were:

- 19 Motor Vehicle Collisions (non-injury, injury, animal strikes);
- 19 Thefts (including all theft related offences, vehicles & property);
- 5 Break and Enter (residences & commercial buildings);

Written submissions for the above-mentioned must be received at the Town Office by 3:00 p.m. on Wednesday March 20, 2019. Applications and support documents may be viewed at the Town office, 1016-4th Avenue Beaverlodge, Alberta during regular business hours.

If you're driving on the right side of the road, you must park on the right side of the road. Crossing the road to park on the left side can result in 3 different charges:

- Illegal U-Turn between intersections;
- Cross double solid lines;
- Drive left of center line.

The fines for these charges range between \$155- \$233, as per the *Traffic Safety Act: Use of Highway and Rules of The Road Regulation 304/2002*.

When parking on the wrong side of the road, you could potentially cut someone off and increase your risk for a collision. Stay safe!

PUBLIC WORKS... WHAT'S UP?

Public Works would like to remind everyone to stay clear of moving equipment on the roads and sidewalks when they are out. With the weather, we are trying to stay on top of snow and ice. If you are trying to pass, please make sure you have the operator's attention so they know you're there. Staying 15 meters away is the rule of thumb.

We are actively trying to prevent flooding issues this spring, please refrain from dumping or pushing snow into the ditches. If the ditches get blocked, when the melt comes, flooding will occur.

With warmer temperatures approaching, keeping up with your driveway can help you prevent ridges when we come along and chip the ice away.
