GARBAGE BIN UPDATE

Please be advised that all garbage dumpsters located in the Town Square are under video surveillance, locked, and only for municipal facilities use. We ask that residents do not continue to bring their garbage to these locations.

As residents of the Town of Beaverlodge you are provided with a curbside garbage bin and two recycling bins. We kindly ask that you use these options when disposing of household waste and recycled items. If needed, you can access the Tervita La Glace Landfill (Hwy 672 & RR 93) for free by stating that you are a resident of the Town of Beaverlodge.

If you are a resident of the County of Grande Prairie please contact their office or check out their website at www.countygp.ab.ca to find out the nearest landfill and recycling locations available to you.

Extra 'Garbage Bag Tags' can be purchased at the Town Office for \$2.00 each

FOOD BANK

The Beaverlodge Food Bank has now resumed regular 'in person' hours of service. If you are in need of a food hamper you can access the Town Office FCSS Department to complete an intake. Food Bank is available on Monday's from 10:00am-12:00pm or you can contact Trudy at (780)354-2204 if you need to make alternate arrangements. Please be respectful of our volunteers and the health measures and physical distancing protocols that we have in place.

COMMUNITY GARDEN

Did you know that we have a community garden in Beaverlodge?

The Beaverlodge Garden of Dreams is located behind the library and is for all to access and share. Come and check out the space, enjoy the sunshine, tend to the garden or take some veggies if you would like. We hope this will be a place for the community to cherish and grow for many years to come!

TOWN INFORMATION

Please Be Advised

Public Works has began pothole repairs throughout the community.

Please be respectful of crews out working during this time!

We thank you for your ongoing patience during our summer maintenance projects.

The Town of Beaverlodge is looking to fill the position of:

Chief Administrative Officer (CAO)

Beaverlodge's Town Council is currently seeking a dynamic individual for the role of Chief Administrative Officer (CAO). The ideal candidate must have a proven track record of leadership, financial acumen, political savvy, and the ability to work collaboratively with elected officials, staff, citizens, government, and other community partners.

For the full Job Description please visit www.beaverlodge.ca (Local Government/Employment) or email karen@beaverlodge.ca

Box 30, Beaverlodge, AB T0H 0C0
Phone: 780.354.2201
Fax: 780.354.2207

Media Release – July 20, 2020

Local water project to create jobs and improve core infrastructure

Beaverlodge, Alberta: As part of Alberta's Recovery Plan the Town of Beaverlodge was awarded funding for a Strategic Transportation Infrastructure Program (STIP) project to create jobs and improve core infrastructure in the community.

A \$2,204,748.00 provincial grant was received by the Town to upgrade the water treatment plant and it will create 13 jobs in the community.

Alberta's government has invested about \$150 million to support 55 water and wastewater improvement projects creating approximately 1,300 jobs, boosting economic recovery and getting Albertans back to work.

"This is among many projects announced that will put Albertans to work. These are also projects that will ensure residents will have the necessary infrastructure right now and into the future."

Travis Toews, MLA for Grande Prairie-Wapiti.

"This funding is for the second phase of our water treatment plant upgrades, which are badly needed as our water treatment plant is over 30 years old. This second phase of upgrades will benefit our community by ensuring our water supply is safe and secure for the next 40 years."

Gary Rycroft, Mayor for The Town of Beaverlodge.

The Government of Alberta is significantly increasing new investments in municipal infrastructure programs, to fix and build needed roads, and bridges in rural communities across Alberta.

Alberta's Recovery Plan is a bold, ambitious long-term strategy to build, diversify, and create tens of thousands of jobs now. By building schools, roads and other core infrastructure we are benefitting our communities. By diversifying our economy and attracting investment with Canada's most competitive tax environment, we are putting Alberta on a path for a generation of growth. Alberta came together to save lives by flattening the curve and now we must do the same to save livelihoods, grow and thrive.
