Council Chambers

Town Office

The Office has re-opened to the public. Please be respectful of health measures and physical distancing protocols when accessing the building.

Hours: 9:00am—5:00pm

WATER UPDATE

Please Be Advised

The maintenance plan for the season involves replacing old and faulty valves with new ones. This will be done one 'section' at a time. Firstly, Public Works has to try to isolate the affected valves which involves opening and closing the valves in the area to isolate the one they are looking to replace. Then there is the actual replacement process, the chlorination process and then the flushing and testing of the water. This can take many days to finish and will require a boil water advisory to be in effect during that time frame. Notices will be hand delivered to each residence affected before the work starts and when the work is finished and the boil water advisory is lifted. Along with the hand delivered notes, the Town of Beaverlodge Facebook Page and Website will have updates available.

We thank you for your patience during the summer maintenance season.

PARKS & RECREATION UPDATES

Playgrounds- Playground surfacing is being replaced in partnership with some local companies. The removing and replacing of the sand in the parks started Monday June 29th. If the public happens to see equipment in the parks, we kindly request that they are left alone for safety reasons. The work will be starting at the Encana park and heading north from there.

Recreation Center- The fitness center, lanes swim, and float-fit are currently pre-register access only and aqua-fit remains drop in. Registration opened Thursday, June 25th. We ask that you call and book to ensure a spot and drop-ins will be available where space allows.

FIND A ROCK - LEAVE A ROCK

Find a rock, take a rock, leave a rock, or just enjoy them! Keep your eyes peeled around town for these rocks covered in colourful designs and Inspirational messages created by the Beaverlodge Recreation Centre staff.

Send us in pictures of the rocks you find and create, to: agould@beaverlodge.ca and we will gift you an activity bag.

TOWN INFORMATION

LIBRARY RE-OPENING—June 29, 2020

We are strongly encouraging our patrons to continue using curbside service.

We will be open to the public 10am-3pm Monday through Friday.

Patrons will be greeted at door sanitization area.

Staff will be answering phone calls and emails between 10am and 5pm.

Children's area is closed for browsing. Staff will assist with selection of items. If parents order ahead, we will meet at door with chosen items or deliver to car window.

There will be 3 computers available by appointment only. Time limit of 45 minutes per session, one session per user per day. Currently the use of computers is for adults only. We cannot loan out USB sticks or headphones, please bring your own.

Masks must be worn by computer users, so please bring your own if you have them, we will provide for those who do not.

All office services are available (printing, faxing, copying, scanning, laminating). Please attempt to have correct change or be prepared to use debit or credit.

All items being returned to library should be put into the outdoor drop boxes.

NOTICE OF DEVELOPMENT PERMIT APPLICATION

Take notice that the following development permit(s) for the proposed use listed below has been received in accordance with the Town of Beaverlodge Land Use Bylaw No. 860.

TYPE OF DEVELOPMENT: 40' tower
 LOCATION: Plan 082-3100, Block 1, Lot 4
 1100-11th Street West Industrial Park

Examination of the plans or additional information may be viewed at the Town Office. Any comments must be submitted to the Town office prior to July 9, 2020 for information for the Subdivision and Development Board.

Dated this 22nd day of June, 2020, Town of Beaverlodge

Tina Letendre
 Development Officer
