## 2021 PROPERTY ASSESSMENT & TAX NOTICE

The Town of Beaverlodge Property Assessment and Tax Notices were mailed on May 28, 2021. Property Taxes are normally due July 31, 2021, and residents/businesses are encouraged to pay their property taxes by this date.

Due to challenges stemming from COVID-19, Council passed a motion to defer the Tax deadline to | October 31, 2021, for any residents/businesses who are experiencing hardships. For residents/businesses to take advantage of this deferral, they must make application to the Town. To make an application, please visit our website at [www.beaverlodge.ca](http://www.beaverlodge.ca) – For Residents – Property Taxes.

### GENERAL INFORMATION

Failure to receive a tax notice is not considered sufficient reason for non-payment of taxes.

For those that do not apply for the deferral a penalty of 12% will be applied August 1, 2021 on any outstanding current taxes excepting those associated with the Tax Installment Payment Plan (TIPP).

For those that apply for the deferral a penalty of 12% will be applied November 1, 2021 on any outstanding current taxes.

Residents and businesses are encouraged to pay their property taxes by the original deadline of July 31, 2021 if possible.

Payment options have been expanded for the 2021 tax year. Property owners can choose to enroll in a Tax Installment Payment Plan (TIPP) and divide their tax payments into six monthly payments throughout 2021; or make an initial six-month lump sum payment and pay the remaining balance in six monthly payments. To register for either option, property owners must enroll by June 30, 2021. To enroll contact the town office at 780-354-2201 or email [taxes@beaverlodge.ca](mailto:taxes@beaverlodge.ca) to discuss your options.

## DID YOU KNOW...

### Water Conservation By-Law #885

The Town of Beaverlodge has a water conservation by-law in place. This is very important as it helps us to conserve and protect our water supply, while still allowing residents to water their lawns and keep them looking beautiful.

Normal watering days for odd numbered houses are Tuesday, Thursday and Sunday and for even numbered houses Monday, Wednesday and Saturday. Watering may only be done during the following hours: 6 – 9 a.m. and 7 – 11 p.m. Flowerbeds and vegetable gardens may be watered by hand, at any time, using a watering can or a hose with a nozzle with a trigger shut off to restrict water flow. Children's water toys may be used for recreational purposes as long as the children are present.

These are level 1 restrictions and fines can be levied if they are not adhered to.

For information on Bylaw 885 - Water Conservation Bylaw or other Bylaws, go to the Local Government Tab select Documents and Downloads and then Bylaws from the menu on the left.

Please register by  
May 28th
