November Crime Prevention Topic is 'Cybercrime'

The RCMP wishes to remind the public of some safety tips for online shopping as we head into the Holiday Season!

- Use secure networks and strong passwords
- Be wary of suspicious emails
- Websites that use HTTPS are much more secure than those that use HTTP only
- Watch credit card statements for unknown charges
- Don't share passwords
- Never reply to calls, emails, or texts that ask you to verify your information or confirm your ID or password

The Traffic Safety Focus for November is Occupant Restraints, Wildlife & Winter Driving

The weather affects roads this time of year, and road conditions in combination with vehicle maintenance can be the reason you make it home safe or have issues. Here are some tips:

- Put on winter tires
- Defrost your windows fully or scrape them to ensure a safe view
- Keep your headlights on and clear of snow
- Leave early to give yourself enough time to get to destination
- Slow down

FCSS

Tips for Handling the Holidays

- Acknowledge your feelings and reach out for help
- Be realistic of what you can handle and should handle
- Set aside differences
- Stick to a budget
- Plan ahead
- Learn to say no
- Don't abandon healthy habits
- Take a breather
- Seek professional help if you need it
