## FCSS PROGRAM UPDATES

Effective January 1st, 2020 Beaverlodge FCSS contract will return to the Town of Beaverlodge. We have been under the County of GP No. 1 for the past 15 years and have had a supportive and professional relationship while they managed the contract. We are grateful for these years of partnership! Going forward, Beaverlodge FCSS will be managing the Home Support Program and all other services should remain the same. FCSS will continue to be housed out of the Town Office and Trudy Hodges and Amie Greene will still be facilitating all programs. If you have any questions please do not hesitate to contact us. We look forward to continuing to offer exceptional support services under the Town of Beaverlodge!
