Based upon the new government restrictions listed above The Beaverlodge Recreation Department will do the following to stay within compliance.

All Recreation Facilities: **MANDATORY MASKS IN ALL PUBLIC SPACES NO EXCEPTIONS**

- Limit capacity to 1/3 fire code in all recreation facilities.
- Patrons are required to wear masks in all indoor recreation facilities and 2 meters distancing between households or 2 close contacts for those living alone.
- Staff are required to wear a mask at all times, except while alone in work stations
- No indoor fitness classes at this time.
- Masks are worn in all public spaces, except when engaging in stationary physical activity and maintaining 3 meters distance
- Continue to disinfect all equipment before and after use.
- Increase cleaning and disinfecting between programming.

Fitness Center:

- No group fitness classes or activities running at this time

Pool:

- Public swim will be cancelled as of September 20th
- No adult group fitness classes; No Aquafit. Patrons are still welcome to swim individually with access to equipment and workout plan sheets
- Limiting capacity to ensure 1/3 occupancy during public swims to ensure 3 meters distance at all time
- School lessons will continue as planned, instructors will continue to wear mask/and or shield and instruct from out of the water.
- Public Lessons are permitted for children under the age of 18, we are hoping to offer lessons in October depending on staffing.
- Not offering indoor social gathers at this time. Which includes private pool rentals, MPR/CC bookings. *(This could be something we offer if we chose to request proof of vaccinated people, which would then allow single household plus one household to a maximum of 10 vaccinated people and no restrictions on children under 12. Again, this is something Rec admin is not comfortable doing at this time and without a work plan from our superiors)*
