To  
The Mayor of BEAVERLODGE  
TOWN

Subject: Letter of Intent to reside in BEAVERLODGE TOWN

Sir/ Madam,

I am hoping to settle down in Canada and through this letter, I would like to express my interest to reside in **BEAVERLODGE TOWN** Launched in February 2022, the **Alberta Advantage Immigration Program (AAIP)** formerly the Alberta Immigrant Nominee Program is one of the opportunities on my hand today and your community is one whose living environment and job opportunities matches my skills and work experience.

I am a 37 years old, well educated female. I hold a Master's degree in forestry engineer and a Diploma of Technician in agriculture. At present, I am in Cameroon working as a General Manager in the company name's AFRIFOOD.

In the past ten years, I have more than 8 years of full-time work experience in occupations 2122 described under the National Occupational Classifications (NOC) 2021 version 1.0. I can speak French very well and English moderate.

I would like to live in an environment where I feel safe and accepted by the people. Alberta in general is considered as best place to live in the world. The Government through the AAIP program is welcoming to immigrants. Our language skills will be professionally helpful and play a vital role in establishing social connections and accepted within the community. Moreover, our social ties are very strong in Alberta. My friends are Canadian Citizen and are residing in Alberta since 10 years ago with their family. Their presence will make it easier for me to adapt the culture and lifestyle that the province provides. Besides, Alberta province is the second largest agricultural area in Canada after Saskatchewan, an economic hub with agriculture and Food processing industries. Based on our qualifications, work experiences and language abilities, I am confident in getting a job that suits our profile and also contribute to the development of the community. These are reasons why **BEAVERLODGE TOWN** is a community of choice for me and I think you can help me by issuing the endorsement letter of support from the community. To let you know more about me, please find attached my documents.

1. My resume.
2. Copies of my degree.
3. My passport

we look forward to be part of your community.

Please let me know if you want more information. Thank you in advanced; we will really appreciate if you issue the letter of support.

Sincerely,

**RECEIVED**  
MAY 10 2022
