Public Works Week Highlights Our Unsung Heroes

Public works week showcases the superheroes that lie within each and every public works professional. Always READY to serve their communities, and RESILIENT as ever in their abilities to pick themselves up off the ground after encountering challenges. The celebration week draws attention to the important contributions of public works professionals to citizens' daily lives, including the planning, building, managing and operating the heart of our local communities – its infrastructure.

The Town of Beaverlodge wishes to recognize and thank the hardworking Public Works department for their service and dedication to the job.

Council Update

I have been living and working in Beaverlodge and surrounding area all of my life. My family and I have been fortunate enough to be a part of the community and plan on continuing to do so for many years to come.

This is currently my second term as a Town Councilor and have been Chair of the Protective Services Committee. My focus has been on working with the Fire Department, Town Bylaw Enforcement and the RCMP. These areas are extremely important to me in making and keeping our community a safe place to live, raise our families and retire in. As a business owner, I have also been a long-term member of the Beaverlodge and District Chamber of Commerce.

One of the critical projects we are currently working on is the construction of the new Fire Hall. The town has outgrown our current Fire Hall and the new facility will allow for future growth and training capability. The Beaverlodge Firefighter's Association have been raising funds towards a new building for decades. Hundreds of hours have been donated towards this project and it is very exciting to finally be moving forward. Additionally, this project is becoming a reality largely due to our ongoing partnership with the County of Grande Prairie No. 1. I am very grateful for their continued support.

Many of us are creatures of habit and take the same route every day. When you go home, take a different route to look at all the positive changes being made throughout the town. Council is committed to continuous improvement of the Town including its infrastructure and services provided to residents and businesses.

AROUND TOWN

PUBLIC WORKS FIXING ROADS

The Town of Beaverlodge Public Works department are once again hard at work improving our streets. The weather finally cooperated enough for the asphalt plant to be up and running and crews were busy filling in potholes throughout the town. May 15- 22 was National Public Works Week where crews around the province were recognized for their hard work, dedication and resiliency.

ART WALK HAS SOMETHING FOR EVERYONE

The Beaverlodge Chamber has been hard at work planning the first annual Art Walk scheduled for Friday, June 10th, 2022. Activities for the whole family will be happening all day long. There will be local artists, vendors, food trucks, live music, kids activities, beer gardens and more. The South Peace Professional Attraction and Retention Committee will also be holding a Health Care Worker Appreciation during the event. Beaverlodge will be celebrating their local Seniors for Seniors week with cake, coffee, tea and door prizes from 12pm-1pm in the tent beside CIBC.

NEW STOP SIGNS IN TOWN

The Town of Beaverlodge replaced numerous yield signs to stop signs on 9th Street and 8th Street this month. These changes are to help make these intersections safer for residents. Please take note of the new locations and drive accordingly.

BEAVERLODGE BEAVER

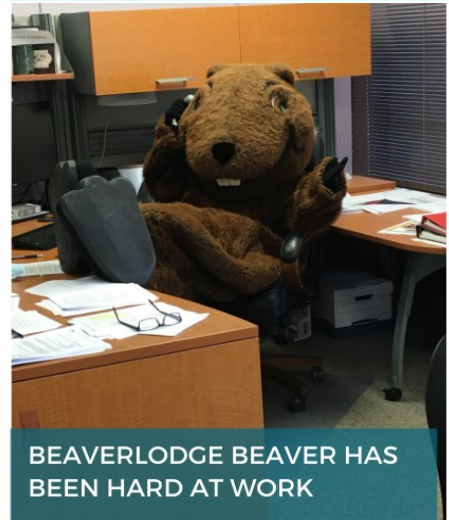

The Town of Beaverlodge Beaver has been making appearances around town and at special events. Seems this Beaver is in need of a name....Stay tuned for information on that. :)
