Beaver Tails News

Positive Ticket Campaign For Youth Launches

The Town of Beaverlodge Enforcement and Family and Community Support Services (FCSS) are joining forces to acknowledge youth in our community that are making positive choices and helping to keep our community safe. This can be anything from wearing a helmet while riding, crossing at a designated crosswalk, being respectful, kind, helping others and keeping the community clean by disposing of trash and litter. If a youth is "caught" they will be issued a **Positive Ticket** that they can redeem at the Town Office for a prize. All prizes were generously donated by the following local businesses: **Any Time Towing, Cassity Equipment Sales, Satin Slipper, The Gift Box, Ace Hardware and Sandbros**, The goal of this program is to provide opportunities for youth to be recognized for commendatory actions as well as demonstrating the importance of positive interactions with law enforcement officers.

TOWN OF BEAVERLODGE UPDATES

DID YOU KNOW...

Did you know that we have a community garden in Beaverlodge? The Beaverlodge Garden of Dreams is located behind the library and is for all to access and share. Come and check out the space, enjoy the sunshine, tend to the garden or take some veggies if you would like. We hope this will be a place for the community to cherish and grow for many years to come!

Council Update

July 2022
beaverlodge.ca

I am Cal Mosher and have been a Councillor for the town of Beaverlodge and I am on my second term. Councillors are required to be part of committees that work to keep the town functional and safe. One of the committees that I have been on is the protective services committee. The job of this committee is to work with our policing service, our fire department, and our bylaws within the town. The purpose is to look at the operational part of these groups and deal with perhaps improving and helping with issues that arise over the period of a year. One of the issues that comes from residents in the community is drivers maneuvering too fast through our streets.

The safety part of it is that should a child or a youth on a bicycle and/or a seniors step out from behind a parked vehicle, or run from their yards, as kids do, these drivers leave no stopping time to avoid striking the individuals. It is hoped that we can avoid any kind of incident where a child or seniors gets hurt from unnecessary speed. Have a great summer.

Cal Mosher

AROUND TOWN

VOLUNTEER DRIVERS NEEDED

Looking to give back to your community? Interested in meeting new people, while making a difference? Then volunteering might just be for you! Volunteers are integral to so many organizations around our community and they are always looking for more people. Currently, we are recruiting driver volunteers for Drive Happiness. Drive Happiness is a non-profit organization that provides assisted transportation services to older adults through the help of volunteer drivers.

is program is different than the Town's Community Bus service, which runs on Wednesday's to Grande Prairie for medical appointments and shopping. Drive Happiness volunteers can take Seniors to various businesses right in Beaverlodge, to check the mail, pick up prescriptions, to visit family and friends, or for appointments. We can get this service to Beaverlodge if we are able to recruit volunteers to drive. This program is flexible with your schedule, location, no extra insurance is required (you are covered under Drive Happiness Insurance) and you receive a gas reimbursement. If you are interested in volunteering, please visit drivehappiness.ca or call 1-888-336-5438.

GENEROSITY OVERFLOWS FOR THE FOOD BANK

The Beaverlodge Food Bank received an amazing donation of three steers from local businesses from the recent 4-H sale. The Food Bank relies on the generosity of the community to help provide this much needed service to those in need. With the rising cost of food, it has been hard for the Food Bank to stay stocked with essentials such as meat. Now, some of those worries can be put aside as Walker's IGA, Rheaume Engineering and South Peace Distributors all donated a full steer to the food bank. A very sincere and heartfelt thank you to each of these businesses.
