Noah Grant Memorial Baseball Tournament

Being involved with Beaverlodge Minor Baseball the past two seasons, we wanted to have a tournament in Beaverlodge to showcase all our local talent. We had almost 200 athletes registered for the 2022 season.

I thought it would be great to name the tournament the Noah Grant Memorial because of how involved he was with sports in our community. He has so many friends involved with Beaverlodge Minor Ball, it just made sense to have it in memory of Noah.

The Tournament had 12 teams total, with 3 from FSJ, 1 from Valleyview and 8 from Beaverlodge. There was 4 in each division of U11, U13, U15/U18.

It was great to see how many people we had filling those ball diamonds. On average I would say we had 200 people at all times.

Our winners were

U15/U18 – FSJ Black Sox

U13 – FSJ Black Sox

U11 – Beaverlodge Royals

Next year we are hoping to work together with the Chamber of Commerce and have the tournament at the same time as the Art Walk.

Anyone that wants to see pictures, videos and all the sponsors that helped make this tournament so special, can follow our Facebook page “Beaverlodge Minor Baseball”.

GOODBYE'S ARE NEVER EASY

A sad day for Beaverlodge residents as we say goodbye to a legend. Peace Officer Mark Morrical will be leaving Beaverlodge Enforcement to pursue a new opportunity with the County of Grande Prairie. Morrical has been a community fixture for over 7 years while he enforced town bylaws and kept the streets safe for our children and residents. He was known to be fair and down-to-earth in all his dealings. On behalf of all Beaverlodge residents, we wish to extend Mark our heartfelt thanks for putting so much dedication into keeping our community safe and doing so with a smile, always. We wish him the absolute best in his future endeavors.

EAGER BEAVERS FOR BLADES SEASON TICKETS

Beaverlodge residents, Iris and Brian Arberry, are the NWJHL Junior Blades first season ticket holders for the upcoming season. Earlier this year it was announced that the Beaverlodge Blades would once again be starting up in the community. Coaching the team this year will be GM/Head Coach Ed Widdifield, a longtime area resident with an extensive coaching history. He's joined by Assistant Coach Colin Lefley. The Arberry's are avid hockey fans and were excited to hear about the return of the local team and wasted no time in securing their season tickets!
