COMMUNITY CONNECTIONS

COMMUNITY GENEROSITY OVERFLOWS

The Beaverlodge Boogie and Beyond Run and Walk Club generously donated money to a few different organizations, one being Beaverlodge Family and Community Support Services (FCSS) this past month. Funds were raised from entry fees from their Annual Beaverlodge Boogie

Run held at McNaught Homestead on September 24, 2022.

Beaverlodge New Horizon's Co-op also generously donated back to the community. They presented Beaverlodge Food Bank Chair, Faye Dyrkach, with a cheque from their Thursday 3% program as well as numerous re-usable bags.

The Beaverlodge Blades Jr B Hockey Team presented the Town with a cheque to help cover costs for the Teen Halloween Dance happening on

October 28. All entry fees from the October 16th home game were donated to the event. Hugh Graw from Anytime Towing also generously donated funds to the event. New Horizon Co-op donated bottled water for participants as well.

Community donations such as these are the backbone to many organizations and events. We truly appreciate the support this small town gives. A heartfelt thank you to all!

ARENA LIGHTING UPGRADE

Lighting up the 2022/2023 Season

The Municipal Climate Change Action Center (MCCAC) helped The Town of Beaverlodge achieve our upgrade and greenhouse gas reduction goals. Through the Recreation Energy Conservation (REC) program The Beaverlodge Arena reduced energy use by implementing a energy-saving project by assisting in funding the new lighting upgrade in the Arena. Our municipality would like to thank the MCCAC for all their assistance, without them this project would have been possible.

Jeff Johnston, CAO, " Through the Recreation Energy Conservation Program and the Municipal Climate Change Action Centre we were able to improve efficiency and increase the energy conservation of our Arena. Also, the new lighting looks great! The time and effort spent will continue to benefit our community for many years."
