PRESIDENT'S SUMMIT ON THE FUTURE OF MUNICIPAL GOVERNMENT

Event Summary

OVERVIEW AGENDA

**Please note, agenda is subject to change at any time*

As the main finding of the Future of Municipal Government project to date is that intermunicipal collaboration is key to building thriving communities, the Summit will focus on factors identified as key to enhancing the effectiveness of collaboration. The Summit will also be designed to reflect another key finding "that one size does not fit all". What collaboration looks like will vary by size, geography and capacity of the municipalities involved.

The Summit will provide participants practical ideas and examples you can adapt to enhance collaboration efforts in your own community. It will also provide you the opportunity to shape Alberta Municipalities advocacy for policy, program and legislative changes needed to support more effective intermunicipal collaboration.

This year, the President's Summit on the Future of Municipal Government is being held in conjunction with the ***Spring Municipal Leaders' Caucus which will run from March 30 at noon to March 31.*** The Municipal Leaders' Caucus will focus on key, top-of-mind issue affecting communities, and give you a chance to hear from government officials prior to this year's election. More details on the MLC and President's Summit will be available soon, including hotel booking information. Registration for both events will open in February.

Attention: Town of Beaverlodge Council

It has come to my attention that the old Beaverlodge medical clinic is potentially reopening. I am excited that potentially there will be more physicians to support the community. The town and country publication communicated that the owners are requesting a tax break, water, sewer, garbage coverage.

Of note there is an existing owner (Michael Lojczyc) that has already originally reaped the benefits of a significant reduction in the land and building purchase and tax break. As well, it was my understanding that in the absence of renters, the town continued to help cover land taxes.

I feel that if there is financial coverage on behalf of the town for the old clinic, it should be reflected in an equal tax/water/garbage/sewer coverage for Beaverlodge Health and Wellness.

Sincerely,

A handwritten signature in black ink, consisting of a stylized 'Z' followed by a horizontal line.

Dr. Clow
