STRATEGIC PLAN

COUNCIL'S MESSAGE

This strategic plan provides a road map for this Council term (2021 to 2025) bridging the 2025 Election and providing the next Council (2025 to 2029) a foundation to build on. This plan is intended to be forward thinking as we continue to transition from a reactive to a more proactive model of service delivery. We are committed to increasing value to residents and business by understanding the needs and wants of the community and adapting the way we do business.

Council acknowledges that the demographic of the Town is changing. This presents both challenges and opportunities that need to be actioned. We wish to honor our history and those that built this Town while embracing the increase in young people and their families. Both groups have specific needs that our municipality needs to address to ensure the sustainability of the Town of Beaverlodge and enable its future success.
