TOWN OF BEAVERLODGE

Beaver Tails News

The New Community Bus Has Arrived

The Town of Beaverlodge received a much anticipated delivery on February 16, as the brand new Community Bus arrived from Calgary. Funding for the new bus came from multiple sources including \$70,000 from NuVista Energy, \$25,000 from GPNetworks and \$10,000 from TC Energy. The remaining balance was funded by the Town. Administration will be looking at and revising the current bus policy in the coming months. The Town is looking forward to getting this new bus decaled and back to our weekly Wednesday runs. For more information on booking the bus, please call 780-354-4057.

COMMUNITY CONNECTIONS

FAMILY DAY STREET HOCKEY A SUCCESS

There was an amazing turn out on Monday, February 20 for Family Day. Beaverlodge FCSS and the Town hosted a Family Day Street Hockey Event in front of the Town Office and Library. Beaverlodge Blades Jr B players were on hand as well as Fire, RCMP and EMS to take on town residents in a friendly street hockey

game. Beverly, the town mascot, made an appearance helping cheerlead on the sidelines and even taking a turn as goalie. It was soon apparent she is better suited on the sidelines cheering!

Members from the Beaverlodge Alliance Church were on hand serving hot chocolate to the over 60 participants that braved the weather and came out to the event. Mayor Gary Rycroft and Councillor Cody Moulds also came out to support the event and engage with residents.

Ace Hardware donated some sticks and balls to the event so that everyone had a chance to participate, even if they didn't have equipment. Thank you to everyone involved that helped make this event a success. We are excited to make this an annual event.

Council Update

From the Town of Beaverlodge, as a councillor, I have been requested to provide some thoughts on the operation of our town.

My background has been enforcement of traffic, so I would like to bring to light some things I witness as I travel around the town.

Firstly, we have streets that are narrowing with the snow plowing and are very dangerous due to the height of the snow banks. Our kids, seniors and others use these routes every day. I have witnessed vehicles going too fast and not allowing for any unusual action when these persons are on the streets. Absolutely no room for errors.

Secondly, there is ice which compounds road safety.

No Town needs the loss or injury of our citizens when it could have been prevented by practising safe driving standards.

PLEASE SLOW DOWN.
