- Many grant dollars are available to Non-profit and Charitable Foundations. Christy would like to see this committee form a Non-profit so that these funds can be accessed. Currently the funding has come from municipal funds and grants and she would like to see the community be able to take advantage of both sources of grants. Would prefer that this be done under the "Build A Dream" name because it is already recognized. Suggested that Roger Arcand could be asked to speak about the options.
