Water Meter Update

We are pleased to inform you that we have received notification that the new replacement parts “the gateways”, are estimated to be shipped on October 31, 2023. While we cannot guarantee an exact delivery date, we are optimistic that these replacements will be delivered by mid to late November. Once these gateways are installed, we anticipate having the systems fully operational and able to accurately read your water usage in time for the December 1st billing cycle.

We would like to express our gratitude to all residents and businesses who have taken the initiative to send pictures of their meters to utilities@beaverlodge.ca. We encourage all residents and businesses to continue sending meter pictures until the new gateways have been successfully installed.

We understand the importance of having reliable water meter readings for billing and to ensure fair and accurate utility services. We are committed to resolving this issue as quickly as possible, and we appreciate your patience and continued support throughout this process. Thank you for your understanding, and we look forward to restoring normalcy to our water meter readings soon.

Swimming Lesson/Fitness Class Refund Policy

Refunds will be provided under the following conditions, only: When a Doctor's note is provided the refund is effective starting the date the doctor's note is received by the recreation staff; or if a program is cancelled by the Town. Credit will be issued for the unused portion of a program under the following conditions: When notice is provided by the facility or program operator seven (7) days prior to the start of the program; or when there is a waitlist and staff are able to resell the space in that program; or if a program is rescheduled by the Town. Transfers are permitted when the recreation staff are notified seven (7) days prior to the course or program start date or at the recommendation of the instructor provided the course or program has not already started. All refunds/transfers will be subject to a \$10 administration fee, unless altered by the Town Office.

Council Update

Well fall is here and overall the weather is working with us. I am councillor Cal Mosher. I am pleased to say that our much needed firehall is complete and it is a welcome addition to our community. The traffic volume on the highway through town has been extremely heavy this fall. I have put forward a request that red stop lights be installed so as to assist the fire trucks to enter the highway in a more safer way when going on a call out. This will have to be in conjunction with Alberta Transportation approval should it go ahead. I would like to comment on the fact that there is still a number of drivers using our streets as speedways. Kids, seniors and dog walkers are on our streets. Let's hope we don't have an incident from this irrational driving that causes this community to deal with injury or death.

I attended the Alberta Municipal conference in Edmonton. There were many issues brought to the table that pertain to our northern communities such as disaster with wild fires, flooding and the health care issues such as lack of doctors, nurses. The other issues is our northern residents who are very ill and have to travel to Edmonton or Calgary for treatments. Let's hope we see some effort coming our way. Have a safe fall.

WHAT'S HAPPENING AROUND TOWN

Beaverlodge Aquatics Shutdown

The annual aquatics shut down for the NuVista Energy Centre will occur October 16 through November 5, 2023.

The most noticeable work will be the grout repair of a large portion of the pool deck. We have a long list of regularly required mechanical maintenance scheduled as well.

The remainder of the facility will operate normally.

Aquatics memberships can be used to receive 20% off drop-in rates for Eastlink aquatics once they re-open on October 23rd.
