As long as the sun shines, grass grows and the rivers flow – we acknowledge the homeland of the many diverse First Nation & Métis people whose ancestors have walked this land.

We are grateful to live, learn and work on the traditional territory of Treaty 8 and we make this acknowledgement as an act of reconciliation and gratitude.

Beaverlodge Elementary School is in the planning stages for Literacy week (Jan. 22-26). The planning committee is reaching out to see if there is any interest in Council members, the mayor, CEO and our new Bylaw Officer coming to BES to read with some of our students during that week. The Assembly is slated for Wednesday @ 11:15 - 12:00, so we would ask that no one plans to come during that time. If anyone would like to join a library class to read to, that would be great also. Our library classes are Tuesday-Thursday afternoons. If you are interested, could you please email me with a date and time that would work and I will be able to let teachers know to expect someone. I look forward to hearing from you.
