Subject: Invitation to attend our Grande Opening and Request for Funding or In-Kind Support

Dear Jeff Johnson

It is with great excitement that we share the news about the upcoming grand opening of Pleasant View Lodge, our new seniors' residence in Spirit River, Alberta. This long-awaited lodge for Grande Spirit Foundations region offers 92 brand new lodge and continuing care units.

Grand Opening Day is June 1st, 2024. Please accept this letter as invitation to this event and help us celebrate not only the opening of the lodge but also the kickoff of Seniors Week 2024 in our region and "Spirit Days" with the Town of Spirit River, all on the same day.

This new facility represents a significant milestone for Grande Spirit Foundation. It marks the culmination of our efforts to provide a welcoming and supportive environment for seniors in our community and we are hopeful you can make it.

To ensure the success of this event and its positive impact on the community, we are also reaching out to you seeking either financial assistance or gifts in-kind or both. We are happy to accept either, just let us know what you might have by February 23, 2024, so we can add the contribution to our planning for the event.

If financial support is not feasible, gifts in kind can also be considered. They can be in the form of many options such as offering a bus for transportation, volunteers, advertising, gift cards, swag, or just about anything that can support the day. We are expecting 3000 people, so anything is a big help. Maybe you have a full council that would like to volunteer on that day! Please be sure to provide an estimate of the value of the contribution. Financial contributions will be used 100% for the event for items such as food, entertainment and promotional items and not used for any service or administrative fees.

Grande Spirit Foundation

"We provide quality housing that serves the needs of our seniors, families and individuals."

Your support is vital to the success of the grand opening day, and we believe it will contribute to the overall well-being and happiness of our senior residents. We believe that the collaboration between the Grande Spirit Foundation and your municipality will not only strengthen our commitment to seniors living but also foster a sense of community spirit and support for our elders.

We are more than willing to provide additional information, answer any questions you may have, or discuss how the municipality's support can be acknowledged during the grand opening festivities. Your partnership in this endeavor is invaluable, and we look forward to the possibility of working together to make this event a memorable and impactful celebration for our community.

We thank you for considering our request, appreciate your ongoing commitment to the well-being of our seniors and look forward to hearing from you.

Sincerely,

Steve Madden, CAO

Dear Town of Beaverlodge,

In 2023 the Beaverlodge Mural Foundation (BMF) installed four new murals in the downtown area of the town. We also hired a couple of high school art students, in August, to restore the Euphemia McNaught mural "Edson Trail" on the ACE Hardware building. All in all we had a very good year with our murals, and once again they have been well received and appreciated by our community.

The BMF is planning on doing another four murals in 2024 and are looking for \$1500.00 to cover the cost of Dibond and the necessary protective coatings for these murals. We greatly appreciate the support from the Town of Beaverlodge in the past and look forward to continuing our working relationship this year and in the years ahead.

We are looking forward to another successful good weather day for the Beaverlodge Art Walk in 2024 where we hope to unveil our latest murals.

The BMF board enjoys what we do to increase the interest in our town and surrounding area, and we thank you for your time and support in this matter.

Sincerely,
