As long as the sun shines, grass grows and the rivers flow – we acknowledge the homeland of the many diverse First Nation & Métis people whose ancestors have walked this land.

We are grateful to live, learn and work on the traditional territory of Treaty 8 and we make this acknowledgement as an act of reconciliation and gratitude.

---

Thank you for taking the time to hear my request.

I am interested in keeping six (6) female chickens (hens) for the purpose of collecting eggs.

I have years of experience farming and I believe I can provide a good environment for both the birds and us as well as maintain positive relationships with the neighbors while doing so.

Our yard is fully fenced. The chickens will be housed indoors overnight and allowed a healthy run in the yard of at least 14 ft x 14 ft.

The chickens housing and run will be kept tidy and maintained at all times.

And we get the bonus of adorable creatures roaming about.

Thank you for your consideration.

Kindly, Charlotte Berg
