4.0 OLD BUSINESS:

5.0 NEW BUSINESS:

5.1 Walking Trails Update – Gena Jones

- o Gena Jones, Chair of the Community Walkability Working Group, spoke to those present about what they have been working on. They ribboned an area for the Terry Fox Run around the area of the Ball Diamonds which could also potentially be the 1st phase of the walking trails.
- o Rick Wallan has agreed to allow for a trail around the perimeter of his field as well as at least one crossing it for a Winter Trail. They also have a volunteer to clear the trail.
- o ACE has agreed to stock reflective vests and walking poles in their local store.
- o Plan to do public education about clearing your alley and keeping your sidewalk clear of ice and snow.
- o May look at doing a Glow Stick walk event, and have been approached by a member of the Walk & Run Club about doing an event on the trails.
- o Have a meeting coming up with Richardson Pioneer to approach as a corporate sponsor.
- o Will submit a formal request to this committee to take to Council asking that the Town plow/clear and keep plowed 3 alleys for winter walking, the alley between 7th & 8th Ave from the Esso to 10th street, the alley between 6th & 7th Ave from the new Firehall to 11th street and the alley between 5th and 6th Ave from 5th street to 11th street.

5.2 Splash Park Presentation

- o Chair Cody Moulds presented some information about Splash Parks, what type of infrastructure and space is needed. He is going to arrange a presentation at the next meeting. There are grant opportunities for this type of equipment and the company that supplies it can help with them. Could call it the Pioneer Splash Park in alignment with Pioneer Trails?

5.3 Christmas Campground Light-Up – Gena Jones, who organized this last year, has agreed to champion it again this year. She will promote the initiative as well as be the contact person and arrange the space. Cody said he can have some Blades do the setting up. Will ask for sponsors by Nov 17 and set up on Nov 24th. Will share this in our monthly newsletter as well as FB and the website. Gena will either create it herself or get the information to Reanna and have her magic it up. We will announce on FB and the newsletter that Gena is the contact for this. Could the Town possibly sponsor/donate some items to be lit up? Could the spruce trees along the highway get lights? Could stakes be driven before it freezes at the campground?
