As long as the sun shines, grass grows and the rivers flow – we acknowledge the homeland of the many diverse First Nation & Métis people whose ancestors have walked this land.

We are grateful to live, learn and work on the traditional territory of Treaty 8 and we make this acknowledgement as an act of reconciliation and gratitude.

Terms & Conditions: This agreement, when signed by the applicant and a representative of the Organization, constitutes a contractual agreement binding both parties to certain obligations. The applicant agrees to observe and obey all Organization rules and regulations. In addition, it shall be the responsibility of the applicant to pay the required fee at the time of reservation. Balance due must be paid before the scheduled event. Deposits will be returned only in the case of conditions which force the cancellation of the event. The Organization agrees to maintain the facility, to assure that the facility is prepared properly for the agreed-upon event, and to provide adequate sanitation facilities, subject to available equipment, resources, weather conditions and time of year.

Special Events: a. Special Events include, but are not limited to, private pool rentals, rentals of the multi-purpose rooms, community centre, arena, or sports fields. b. 50% of the total booking fee is payable at the time of booking, including the refundable damage. c. Cancellation notice for Special Events must be at least seven (7) days prior to the event. Some events may require notice of more than seven (7) days and that notice period will be indicated on contracts. d. In case of a no-show, the booking fee will not be refunded.

Karman Willis Park Replacement

Committee of the Whole Meeting June 27, 2022:

4.4 Karman Willis Park – Mayor Gary Rycroft

#056-2022-06-27 Councillor Cyndi Corbett

CARRIED: That the Committee of the Whole accepts this for information and refers the item to the Community Enhancement Committee.

Community Enhancement Committee July 12, 2022

Karman Willis Park – This used to be the park at the outdoor pool that was replaced in 2012. Discussion of what and where this could be re-established. A suggestion of partnering with Peace Wapiti School Division to dedicate one of the play areas at the school was made by Member Megan Hauger.

#010-2022-07-12 Councillor Cody Moulds

CARRIED: That the Committee establish it on Action Item List.

CEC Action Item List

Item Number	Subject	Requested On	Person Responsible	Item Notes	Status	Target date of Completion
1	John Wallace Park	6/23/2022	Admin	survey results		
2	Karman Willis Park	12-Jul-22	Admin	Approach Peace Wapiti about dedicating one of the play areas - Council Oct 11, 2022.		

October 11, 2022 Committee of the Whole

Community Enhancement Committee – Councillor Kokotilo-Bekkerus

#082-2022-10-11 Deputy Mayor Hugh Graw

CARRIED: That the Committee of the Whole accepts this for information.

June 29, 2023 – CEC Meeting – Action Item List Update:

2. Karman Willis Park - Council just finalized their JUPA so can be approached in the fall about this.

July 3, 2024 CEC Meeting – Delegation from BES Parent Council Representative Brianna Longson
Brianna Longson attended as a representative of the BES Parent Council. They consulted with the Beaverlodge Elementary School Principal and staff and presented a number of equipment options and pricing. The agreed location is the Grade 3 & 4 play area. Will inquire further about accessibility options as to whether it can be properly certified if the equipment company doesn't do the installation and how long would it take to install it.

#012-2024-07-03 Member Megan Hauger

CARRIED: That the Committee recommends this item be taken to the July 15, 2024 Committee of the Whole meeting to inquire what the Town of Beaverlodge could contribute and permission to move forward with this initiative.

1. If we were to install ourselves, would it still be safety approved or does it need to be installed by your company. If it does, would we be able to supply some of the equipment and sand or gravel to cut down on cost? **We can offer a supervised volunteer installation (depending on the unit's size), where we send out one or two certified installers to help your group of volunteers or maintenance crew built your park.**
2. Are any of the playgrounds you gave me quotes on able to be adapted to be inclusive to children with disabilities such as adding a ramp? **We can absolutely customize any playground to add on a wheelchair ramp or transfer station to make it more accessible! If there are parts of one playground, and parts of a different one you love, we can absolutely build a playground that best suits your school!**
3. How long does it generally take to install the playgrounds? **This depends on the size of playground, but if we were to build any of the options, I had sent you our crew would take a week to two weeks depending on the scope. If we have your volunteers do some of the site work and we do the install of the equipment itself, that is also an option! If we were to do a supervised volunteer of the equipment only, and your crews do the rest of the work, it would maybe take 5- days with 8-12 volunteer per day.**

Equipment Cost Options:
