TOWN OF BEAVERLODGE

Beaver Tails News

International Street Performers Dazzle Beaverlodge

On July 17, the 24th Annual International Street Performers Festival made a stop in Beaverlodge, captivating a crowd that gathered despite the sweltering heat. The event featured a complimentary lunch, generously sponsored by the Town of Beaverlodge, along with free Fricey's ice cream bars, kindly donated by AnyTime Towing. Attendees were treated to mesmerizing performances by renowned acts such as The Amazing Martika, Ruby Rubberlegs, and Pancho Libre, ensuring an afternoon filled with awe and entertainment.

In addition to this event in Beaverlodge, teaser shows were held in Wembley, and Sexsmith, offering a glimpse of the talent that would be on full display in the days ahead.

The complete festival kicked off in the Grande Prairie City Centre on July 19.

QUICK TIPS

Stay Informed and Prepared:

- Stay updated on local weather and fire conditions through reliable sources.
- Have a fire emergency plan in place for your household and ensure everyone knows how to respond in case of a fire.
- Keep fire extinguishers in accessible areas of your home and know how to use them effectively.

Be Cautious with Campfires:

- Follow local regulations and guidelines for campfire safety.
- Choose a safe location for the campfire away from overhanging branches, dry grass, or other flammable materials.
- Keep the campfire small and manageable, and never leave it unattended.
- Completely extinguish the campfire before leaving the area or going to sleep.

Practice Safe Outdoor Cooking:

- Use grills, barbecues, and outdoor cooking appliances in a safe and designated area away from flammable materials.
- Keep a close eye on the grill or cooking area and never leave it unattended.
- Ensure proper disposal of charcoal and ashes in a metal container, allowing them to cool completely before disposal.

Council Message

Running out of summer much faster than we like. But our summer programs are at full tilt, town crews are working hard at the endless grass mowing. The normal summer maintenance like hydrant flushing, sewer line flushing, crack sealing, and line painting are in full swing.

The sidewalk and curb replacement are nearing completion for 2024, however, the overlay program at the top end of fifth avenue will last a little longer. We apologize for the inconvenience.

Out of site, but just as important, is the major work-over and de-sludging work at the lagoons that as well, should be nearing completion.

For the fun things, the NuVista Energy Centre has summer programs and lessons throughout the summer and Fall.

The Mountain View Health Complex currently being designed with construction to begin in the new year.

Please have a wonderful rest of your summer.

Mayor, Gary Rycroft
