As long as the sun shines, grass grows and the rivers flow – we acknowledge the homeland of the many diverse First Nation & Métis people whose ancestors have walked this land.

We are grateful to live, learn and work on the traditional territory of Treaty 8 and we make this acknowledgement as an act of reconciliation and gratitude.

Dear Chief Administrative Officer:

I am writing to inform you of a potential opportunity for municipal councils to meet with the Honourable Ric Mclver, Minister of Municipal Affairs, at the 2025 Spring Municipal Leaders' Caucus (MLC), scheduled to take place at the Westin Edmonton from March 6 – 7, 2024. These meetings will be in person at the Westin Edmonton or the Alberta Legislature, as scheduling permits.

Should your council wish to meet with Minister Mclver during the MLC, please submit a request by email with potential topics for discussion on the attached meeting request template to ma.engagement@gov.ab.ca no later than January 10, 2025.

We generally receive more requests than can be reasonably accommodated over the course of the convention. Requests which meet the following criteria will be given priority for meetings during the convention:

- Municipalities that identify up to three discussion topics related to policies or issues directly relevant to the Minister of Municipal Affairs and the department.
 - It is highly recommended to provide details on the discussion topics.
- Municipalities located within the Capital Region can be more easily accommodated throughout the year, so priority will be given to requests from municipalities at a distance from Edmonton and to municipalities with whom Minister Mclver has not yet had an opportunity to meet.
- Meeting requests received after the deadline will not be considered for the convention.

Meeting times with the Minister are scheduled for approximately 15 minutes. This allows the Minister to engage with as many councils as possible. All municipalities that submit meeting requests will be notified at least two weeks prior to the convention as to the status of their request.

Municipal Affairs will make every effort to find alternative opportunities throughout the remainder of the year for municipalities the Minister is unable to accommodate during the convention.

If you encounter any issues with the meeting request template, please email the Engagement Team for assistance.
