Subject: Request for Exception to Billboard Development Permit

Dear Mr. Johnston

I hope this message finds you well.

Further to our previous text exchange regarding the utilization of the Beaverlodge and District Chamber of Commerce Billboard holder in its designated location, we are requesting an exception to the conditions laid out in the development permit. Specifically, we would like to request permission to allow the Spring Lake Ski Hill Association, a non-profit organization, to be displayed on the billboard during the winter off-season of Chamber events.

The Beaverlodge and District Chamber of Commerce recognizes the significant value the Spring Lake Ski Hill Association brings to our community, particularly as they recently re-opened the ski hill after being closed since 2018. By supporting this initiative, we can help keep our community active and engaged in outdoor recreation, which is especially important during the winter months.

We appreciate your consideration of this request and hope for a favorable response. If there are any additional details or requirements needed to process this request, please do not hesitate to let us know.

Sincerely,

Shone Snatic, Executive Director
