Your Very Own Beaverly Awaits: The Official Beaverlodge Souvenir

Beaverlodge has always taken pride in our iconic mascot—and now, we're thrilled to introduce a cuddly new way to celebrate that legacy. Say hello to mini Beaverly, a 9-inch tall plush replica of our beloved Town mascot!

From the roadside attraction Justin Beaver, which has captured hearts (and camera rolls!) of tourists and locals alike, to playful local branding, the beaver has long been a symbol of our community spirit. Now, for the first time, residents and visitors can take home a piece of that charm with their very own Beaverly plushie.

Where to Find Beaverly

Whether you're a long-time resident or just passing through, you can pick up your Beaverly mascot at:

- The Beaverlodge Cultural Centre
- The Beaverlodge Recreation Centre
- The Town Office

At just \$20, Beaverly makes a perfect gift, a memorable souvenir, or a lighthearted keepsake to remind you of the unique charm of our town.

While we know not everyone sees the humor in using our famed beaver for marketing, we believe that Beaverlodge's personality—and our beaver pride—is worth celebrating. The Town has chosen to tastefully embrace our mascot in a way that boosts tourism, strengthens community identity, and brings a little fun to the everyday.

So next time you're stopping by to snap a picture with Justin Beaver, don't forget to swing by one of our locations and take Beaverly home. Because nothing says "Beaverlodge" quite like a smiling, fuzzy beaver you can cuddle.

Volunteer Group Spotlight

Beaverlodge 4H Beef Club

Each month Beaver Tails will featuring a different volunteer organization to learn more about.

For over seven decades, the Beaverlodge 4-H Beef Club has been inspiring youth, strengthening community ties, and promoting leadership through hands-on agricultural learning. Founded in 1950, this club continues to thrive today thanks in large part to the passionate individuals who volunteer their time, knowledge, and energy.

What truly sets the Beaverlodge 4-H Beef Club apart is its strong foundation of volunteerism. Behind every successful event, achievement day, and member milestone is a dedicated group of parents, community supporters, and alumni who make it all possible. From coaching youth in public speaking to assisting with animal care or helping organize fundraisers, volunteers play an essential role in every aspect of the club's operations.

In fact, the growth and longevity of the club—now serving 52 active members, its largest group yet—can be directly credited to the ongoing commitment of these volunteers. Their contributions ensure that each new generation of 4-H

members receives mentorship, guidance, and meaningful opportunities to learn and lead.

The club's members are not only gaining skills in agriculture but are also being taught the value of community service. Through activities like supporting food banks and helping at local events such as community suppers, members learn firsthand the impact of giving back. These experiences are often shaped and supported by volunteers who model generosity and community spirit.

This year, the club proudly celebrated its 75th anniversary with a community gathering, marking decades of shared learning, service, and connection. The event was a reminder of just how much the club has accomplished—and how none of it would be possible without the support of its volunteers.

Be Part of the 4-H Legacy – Volunteer With Us!

Whether you're a past member, a proud parent, or someone who simply wants to give back to the community, there's a place for you in the Beaverlodge 4-H Beef Club.

Volunteer opportunities include:

- Assisting with club events and fundraisers
- Helping with livestock shows or achievement days
- Providing transportation for rural members
- Offering mentorship or skills-based workshops (e.g., animal care, public speaking, record-keeping)
- Supporting food drives and community service projects

Even a few hours of your time can have a lasting impact. By volunteering, you're not only supporting youth—you're helping preserve a proud local tradition.

A New Chapter in Healthcare: Construction Begins on Mountview Health Complex

Beaverlodge is entering an exciting new chapter in healthcare as construction has officially begun on the long-anticipated Mountview Health Complex. If you've driven past the designated site recently, you've likely seen large construction equipment moving in and the earth being reshaped—early signs of the transformation to come.

This ground preparation marks the start of a new facility that will bring modern, accessible healthcare services to Beaverlodge and the surrounding rural communities. Each day brings visible progress as the site gradually takes form—an inspiring sight for residents who have long awaited improved health infrastructure.

Leading the project is EllisDon, the general contractor tasked with bringing the complex from blueprint to reality. With their experience and expertise, the community can be confident that the new facility is in capable hands.

While we reflect proudly on the legacy of the original Beaverlodge hospital, which has served our community for generations, this new facility represents the future: one designed to meet today's healthcare needs with room to grow for tomorrow.

Keep an eye on the horizon—what begins as groundwork will soon rise as a symbol of care and commitment to rural health.
