Exciting News: Beaverlodge Community Bus Now Serving Hythe Residents

The Town of Beaverlodge Community Bus is excited to announce that, starting December 1, bus service will be available to residents living within Hythe town limits. From medical appointments and shopping to social outings, the community bus is here to help you get where you need to go. Riders aged 16 and under must be accompanied by an adult.

Thanks to funding awarded to FCSS through a grant from Healthy Aging Alberta and United Way Calgary, we are able to pilot this expanded service. This not only helps more residents access medical, cultural, and social opportunities, it also brings more customers to our local shops—supporting small businesses and strengthening our local economy.

Monday & Wednesday – Grande Prairie Trip

The Grande Prairie run offers two pick-up locations in Hythe:

- 9:00 a.m. – Hythe Community Centre
- 9:05 a.m. – Tags Gas Station

The bus returns to Hythe at approximately 2:45 p.m. The fare is \$15 per person (cash only), and pre-registration is required.

Important: Monday and Wednesday trips require a minimum of 6 registered riders. If fewer than 6 people are booked, the run will be cancelled. Booking in advance is essential to keep this service running. Service will be cancelled in poor road conditions or severe weather.

Tuesday & Thursday – LodgeLink Service to Beaverlodge

On Tuesdays and Thursdays, the bus provides service between Hythe and Beaverlodge from 10:00 a.m. to 3:00 p.m. Riders can enjoy unlimited stops within Beaverlodge for just \$10. The last booking is taken at 2:00 p.m., and service ends at 3:00 p.m. Pre-booking is encouraged for any appointments.

To book a seat on any of these runs, please call **780-296-6944**.

Waiting on the White Stuff: Main Street Snow & Sidewalk Reminder

Even though the snow is taking its time this year, winter will arrive—probably all at once, like it usually does. When it does, our snow crews need room to work so everyone can get around safely.

Please remember that *parking is not permitted on Main Street on Tuesday mornings from 5:00 AM to 8:00 AM*. This allows crews to complete thorough snow removal and keep roads clear and safe for residents and visitors. Your cooperation really helps us stay ahead of the snow when it finally decides to show up.

For pedestrian safety, property owners and occupants are also reminded to keep sidewalks bordering their property clear of snow and ice. This isn't just a neighbourly courtesy—it's a requirement under Bylaw 951, which mandates the removal of water, mud, ice, or snow from sidewalks adjacent to your property.

By doing your part promptly when winter arrives, you help reduce the risk of slips and falls and keep our community safe and accessible for everyone. Thank you for helping us get through another long winter—snow, slush, and all!
