A New Year, a New Habit: Small Acts That Keep a Rural Community Strong

January has a way of nudging us to hit “refresh.” We tidy up after the holidays, make a few goals, and hope this year feels a little lighter. If you’re looking for a resolution that actually sticks, consider one that doesn’t depend on willpower, perfect schedules, or fancy equipment:

Volunteer—just a little. Consistently.

In rural communities, volunteerism isn’t a “nice-to-have.” It’s how the rink runs, how fundraisers happen, how events come to life, and how neighbours get help when life gets hard. But across Canada, the trend is going the wrong way.

Does “a little” volunteering really matter?

Research increasingly suggests yes: volunteering is linked with benefits for wellbeing and health. It points towards positive associations between volunteering and social, mental, and physical health outcomes (while noting study quality varies).

Make it a family tradition (and let kids see it)!

If we want volunteerism to bounce back, we need young people to see it as normal—something families do, like skating on weekends or showing up for school events.

There’s evidence volunteering is associated with positive outcomes for kids, too. A large study in JAMA Network Open found that children and adolescents who volunteered had higher odds of “flourishing” and excellent/very good health, and lower odds of behavioral problems (and, for adolescents, lower anxiety).

2025 PROPERTY TAXES

This is a reminder that **2025 property taxes were due and payable on July 31, 2025.**

If you purchased a property **after May 31, 2025** and have **not received your 2025 Property Tax Notice**, please contact the Town Office as soon as possible at **780-354-2201 ext. 1023** or by email at **taxes@beaverlodge.ca**.

Please be advised that **unpaid 2025 property taxes are subject to a monthly penalty** in accordance with Town policy.

2026 PET LICENCES DUE FOR RENEWAL

This is a reminder that **pet licences are renewed annually**, and **2026 pet licences are now due.**

Licensing your pet is an important part of responsible pet ownership. If your pet ever gets out of the yard or goes missing, a licence helps the Town quickly **identify the owner and reunite pets with their families.** It also helps us maintain accurate records and support community animal services.

We appreciate your cooperation in keeping your pet's licence up to date and helping to keep our community safe and pet-friendly.

If you have any questions about pet licensing or need assistance with renewal, please contact the Town Office at 780-354-2201.

2026 BUSINESS LICENCES

Business Licence Invoices for the 2026 year were issued on December 31, 2025.

If you have received an invoice and are no longer operating a business within the Town of Beaverlodge, please notify the Town Office as soon as possible so our records can be updated.

You can contact us by phone at **780-354-2201** or by email at **accountsreceivable@beaverlodge.ca**.

OUTDOOR RINKS

Due to the fluctuating weather we have been experiencing this winter, keeping consistent ice at the the two outdoor rinks has been a challenge. Crews are keeping an eye on the weather and will get them back up and running as soon as possible. Please stay off of the surface until it can be properly frozen to prevent any injury or damage.

PUBLIC SKATE AND STICK & PUCK TIMES

Public Skating and Stick & Puck times available at the Beaverlodge Arena are posted on the Town Website (beaverlodge.ca) & Facebook Pages under Town of Beaverlodge and NuVista Energy Centre. Be sure to check it out to stay up to date.

Due to an error, a preauthorized payment for your property taxes may have been withdrawn from your bank account twice on January 8th, 2026.

This occurred because the payment file was mistakenly sent to the bank more than once.

Please be assured that we refunded the duplicate payment back into your account as quickly as possible.

If this error has resulted in any additional charges from your financial institution, please contact the Town Office at 780-354-2201 or by email at taxes@beaverlodge.ca.

Council Message

Be Ready, Beaverlodge!

Emergencies can happen when we least expect them—whether it's a winter storm, power outage, or other unexpected event. Being prepared helps keep you and your loved ones safe.

Here are three quick tips to get started:

1. **Make a Plan** – Know how your family will communicate and where you'll meet if you're separated.
2. **Pack a Kit** – Include essentials like water, non-perishable food, flashlights, batteries, and medications.
3. **Stay Informed** – Follow local alerts and updates from the Town of Beaverlodge.

As your councillor, I care deeply about the safety and well-being of our community. Taking a few minutes today to prepare can make all the difference tomorrow. Let's work together to keep Beaverlodge strong and ready for anything!

A New Year, a New Habit: Small Acts That Keep a Rural Community Strong ...continued

Just as important: kids copy what they see.

Research on family socialization and volunteering highlights the role of parental modelling and encouragement in shaping helping behaviours. So if you've been thinking, "I want my kids to grow up caring about their community," here's the simplest path: **let them watch you care—then invite them along.**

Try a "One Small Shift" volunteering goal

Instead of "I'll volunteer all the time," aim for something realistic:

- One hour a month (a single shift, a single task, a single event)
- One small seasonal tradition (spring cleanup, holiday hamper drive, helping at a tournament)
- One "yes" before you say no (and bring a friend)

In a rural town, volunteering doesn't just support organizations—it builds pride, friendships, and the feeling that we're in this together. This New Year, let's trade the pressure of big resolutions for something smaller and steadier:

Show up. Bring the kids. Do one good thing—then do it again next month.
