PART 4 – CALCULATION OF EXEMPTION

11 Calculation of Subdivision Exemption

11.1 In this Section 11:

- (a) **“Subdivision Base Year”** means the taxation year immediately prior to the year in which the plan of subdivision for Subdivision Project and Qualifying Subdivision Property has been registered at Land Titles; and
- (b) **“Pre-Subdivision Area”** means the land area of the original assessed parcel of land from which the Qualifying Subdivision Property in question was subdivided out pursuant to the Subdivision Project.

11.2 For each eligible taxation year identified in a Tax Exemption Approval for a Subdivision Exemption, the Qualifying Subdivision Property shall receive a Subdivision Exemption equal to the incremental increase in the annual property tax levied upon the Qualifying Subdivision Property attributable to the increase in the assessed value of the Qualifying Subdivision Property between the Subdivision Base Year and the eligible taxation year in question.

11.3 For the purpose of Section 11.2, the assessed value attributable to the Qualifying Subdivision Property in the Subdivision Base Year shall be apportioned based upon the land area of the Qualifying Subdivision Property relative to the Pre-Subdivision Area, as determined by the CAO in their discretion.

11.4 A Subdivision Exemption shall be 3 consecutive taxation years in duration.

11.5 The date upon which a Subdivision Exemption takes effect shall be established by the Tax Exemption Approval and, unless the CAO determines otherwise, shall be the first

taxation year following the year in which the plan of subdivision for the Subdivision Project and Qualifying Subdivision Property is registered at Land Titles.

11.6 Notwithstanding anything in this Bylaw, no Subdivision Exemption shall be permitted to apply in a taxation year that is more than five (5) years after the Tax Exemption Approval for the Subdivision Exemption is granted in accordance with this Bylaw.

11.7 No Subdivision Exemption may be granted in respect of:

- (a) any provincial requisitions; or
- (b) any penalties related to non-payment or late payment of tax.

11.8 For greater certainty, a Subdivision Exemption shall only apply in respect of property tax levied on Qualifying Subdivision Property, and not in respect of property tax levied on any Structures or other improvements upon the parcel of land that constitutes Qualifying Subdivision Property.

12 Calculation of Development Exemption

12.1 For each eligible taxation year identified in a Tax Exemption Approval for a Development Exemption, the Qualifying Development Property shall receive a Development Exemption equal to the incremental increase in the annual property tax levied upon the Qualifying Development Property attributable to the increase in the assessed value of the Qualifying Development Property between the taxation year immediately prior to the year in which construction of the Development Project, including demolition, if applicable, has commenced and the eligible taxation year in question.

12.2 A Development Exemption shall be 3 consecutive taxation years in duration.

12.3 The date upon which a Development Exemption takes effect shall be established by the Tax Exemption Approval and, unless the CAO determines otherwise, shall be the first taxation year following the year in which construction of the Qualifying Development Property is complete, and has been inspected and approved.

12.4 Notwithstanding anything in this Bylaw, no Development Exemption shall be permitted to apply in a taxation year that is more than five (5) years after the Tax Exemption Approval for the Development Exemption is granted in accordance with this Bylaw.

12.5 No Development Exemption may be granted in respect of:

- (a) any provincial requisitions; or
- (b) any penalties related to non-payment or late payment of tax.

12.6 For greater certainty, a Development Exemption shall only apply in respect of property tax levied on Qualifying Development Property, and not in respect of property tax levied on the underlying land.

PART 5 – APPROVAL, CANCELLATION, AND REVIEW

13 Tax Exemption Approval

13.1 A Tax Exemption Approval must specify:

- (a) whether a Subdivision Exemption or Development Exemption is being granted;
- (b) the taxation years to which the Exemption applies, which must not include any taxation year earlier than the taxation year in which the Exemption is granted;
- (c) the extent of the Exemption, to be determined in accordance with Part 4;
- (d) any criteria or conditions, the breach of which will result in the cancellation of the Exemption and the taxation year or years to which the criteria or conditions apply;
- (e) the date on which the Exemption takes effect, to be determined in accordance with Part 4; and
- (f) any other conditions that the CAO deems necessary and the taxation year or years to which the condition applies.

13.2 The criteria in Sections 4.1 and 5.1 of this Bylaw are deemed to be conditions of any issued Tax Exemption Approval for a Subdivision Exemption, the breach of which will result in the cancellation of the Subdivision Exemption for the taxation year or years to which the criterion applies.

13.3 The criteria in Sections 4.1 and 6.1 of this Bylaw are deemed to be conditions of any issued Tax Exemption Approval for a Development Exemption, the breach of which will result in the cancellation of the Development Exemption for the taxation year or years to which the criterion applies.

14 Cancellation of Exemption

14.1 If, at any time after a Tax Exemption Approval is granted, the CAO determines that:

- (a) the Applicant, the Assessed Person, or their application did not meet or ceased to meet any applicable criteria in this Bylaw which formed the basis of granting the Tax Exemption Approval;
- (b) in the case of a Subdivision Exemption, the Qualifying Subdivision Property or Subdivision Project did not meet or ceased to meet any applicable criteria in this Bylaw which formed the basis of granting the Tax Exemption Approval;
- (c) in the case of a Development Exemption, the Qualifying Development Property or Development Project did not meet or ceased to meet any applicable criteria in this Bylaw which formed the basis of granting the Tax Exemption Approval; or
- (d) there was a breach of any condition of the Tax Exemption Approval;

the CAO may cancel the Exemption for the taxation year or years in which the criterion was not met or to which the condition applies.

14.2 Written notice of a cancellation shall be provided to the Applicant and/or Assessed Person, as applicable, which shall include the reasons for the cancellation, identify the taxation year or years to which the cancellation applies, and provide the date by which a review by Council must be submitted.

14.3 In the event of a cancellation of an Exemption pursuant to this Bylaw, any monies owed to the Town shall be immediately paid to the Town.

15 Review

15.1 An Applicant and/or Assessed Person, as applicable, may apply to Council for a review in the following situations:

- (a) an application for an Exemption is refused or rejected;
- (b) an Exemption is cancelled; or
- (c) the content of a Tax Exemption Approval is inconsistent with this Bylaw or the Act.

15.2 An application for a review shall be submitted in writing to the CAO within 15 days of the date that:

- (a) written notice was sent to the Applicant that an application has been refused or rejected;
- (b) written notice was sent to the Applicant and/or Assessed Person, as applicable, that an Exemption has been cancelled; or
- (c) the Tax Exemption Approval was sent to the Applicant;

as the case may be.

- (a) a regularly scheduled meeting of Council; or
