TOWN OF BEAVERLODGE

Beaver Tales News

Bike ROAD-eo: A Wheelie Great Day!

A huge THANK YOU to everyone who came out on Saturday, July 18 to learn about bike safety, test your skills on the obstacle course, and spend the afternoon with us. It was wonderful to see so many families and riders having fun while learning how to stay safe on two wheels!

A very special shoutout goes to Beaverlodge RCMP for all of their hard work. From helping plan the event, setting up, running the obstacle course, and even pitching in with cleanup at the end of the day—you made this event a huge success. We couldn't have done it without you!

Another enormous thank you goes to our Town Council, who braved the summer heat to serve hot dogs and water to participants, helped with setup and takedown, and took the time to visit with residents throughout the afternoon. Your willingness to jump in wherever needed and support community events never goes unnoticed. Thank you for always stepping up for Beaverlodge!

We had an amazing afternoon, and seeing so many smiling faces made it all worthwhile.

Council Message

The Strength of Community Connections

One of the greatest strengths of living in Beaverlodge isn't found in our buildings, roads, or facilities—it's found in our people.

In larger centres, it's easy to go about your day without knowing the people around you. In Beaverlodge, things are different. We wave to neighbours, stop to chat at the grocery store, cheer for local athletes, and come together when someone needs a helping hand. These simple interactions may seem small, but they are what make our community strong.

Community connection isn't built through major projects alone. It's built through everyday moments: attending a local event, supporting a fundraiser, volunteering for an organization, shopping at a local business, or welcoming a new family to town. Every positive interaction helps create a sense of belonging.

As summer continues, there are many opportunities to connect with one another. Whether you're attending a community event, spending time at local parks, supporting youth activities, or simply introducing yourself to a new neighbour, these actions help strengthen the bonds that make Beaverlodge such a special place to call home.

Council continues to work toward maintaining and improving the services and spaces that bring residents together, but the true heart of our community will always be the people who choose to participate, support one another, and take pride in where they live.

Thank you for helping make Beaverlodge a welcoming, caring, and connected community. Together, we continue to build a town where people are proud to live, work, and raise their families
