TOWN OF >>>> BEAVERLODGE TRANSPORTATION

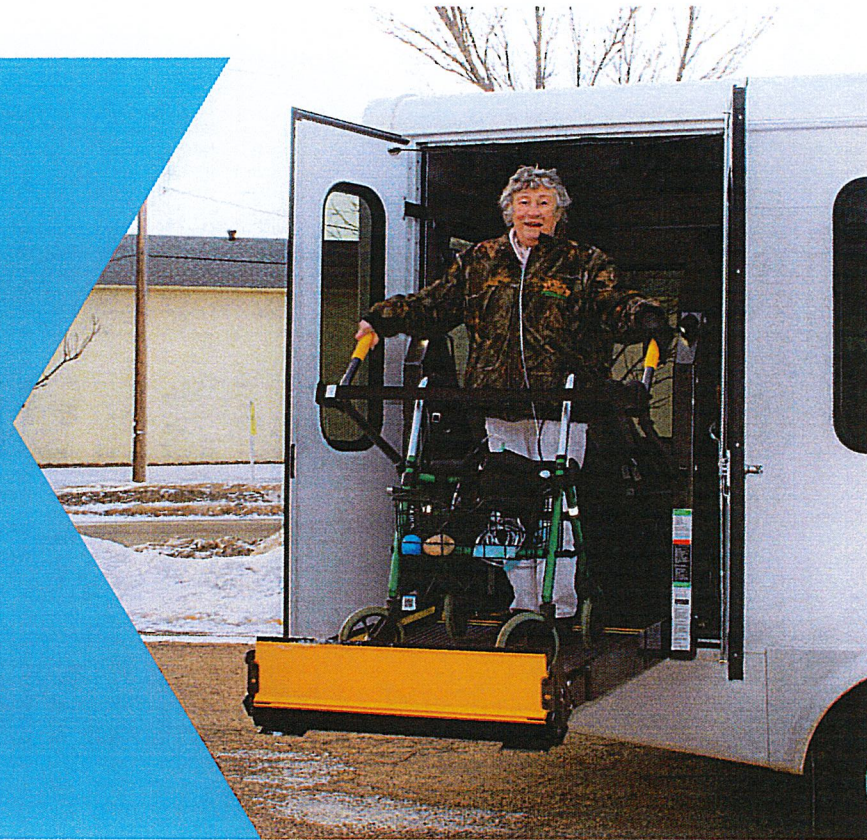

Presented by: Reanna Stockman

Why We're Expanding Transportation in Beaverlodge

Transportation is more than a convenience—it's a lifeline.

Reliable transportation connects rural residents to health care, shopping, essential services, recreation, and community life. To improve access, Beaverlodge increased Grande Prairie trips from once to twice weekly and introduced Tuesday/Thursday door-to-door service.

This expansion is more than just a convenient ride — **it's a crucial step in addressing rural isolation, improving mental health, and boosting the local economy.**

Two Services Connect Residents to What They Need

REGIONAL

Grande Prairie Service

MONDAYS & WEDNESDAYS

- *Medical Appointments*
- *Hospital and Specialist Visits*
- *Shopping & Essential Services*
- *Cultural and Community Activities*
- *Recreation & Social Connection*

LOCAL

LodgeLink

TUESDAYS & THURSDAYS

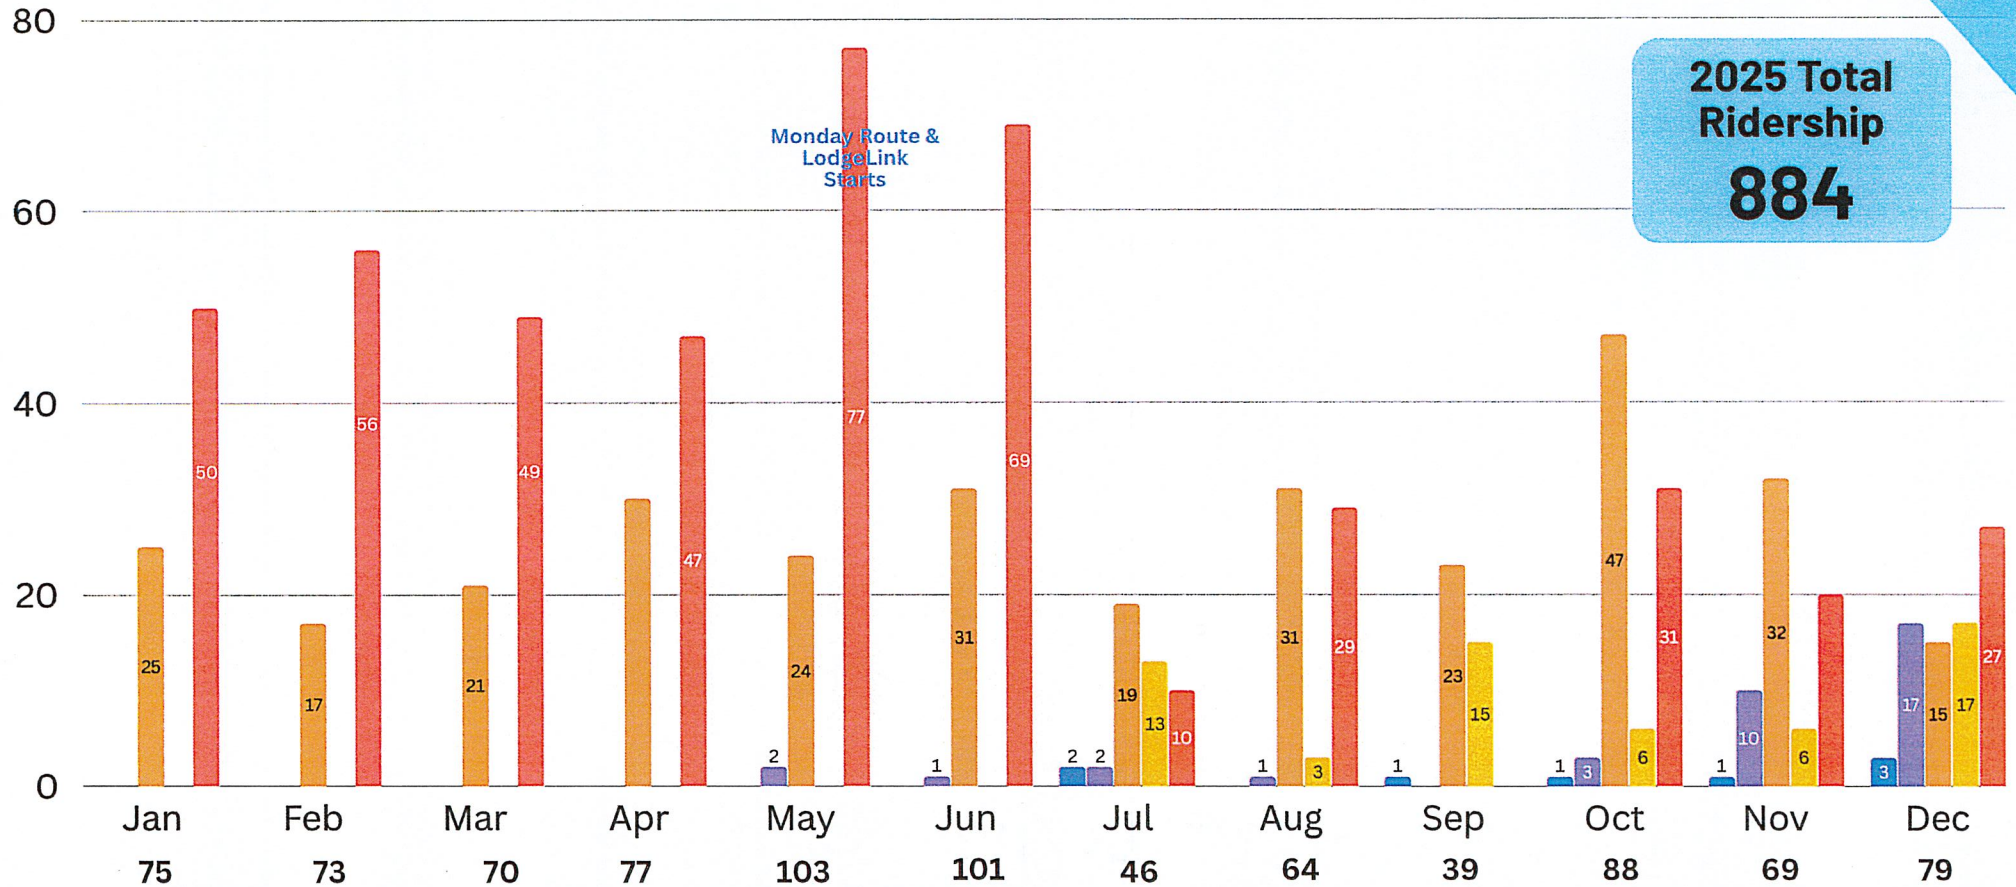

- *Door-To-Door Service*
- *Service to Beaverlodge & Hythe*
- *Medical Appointments*
- *Local Appointments and Errands*
- *Recreation & Social Connection*

These services expanded to Hythe residents as of December 1st, 2025.

2025 Transportation Data

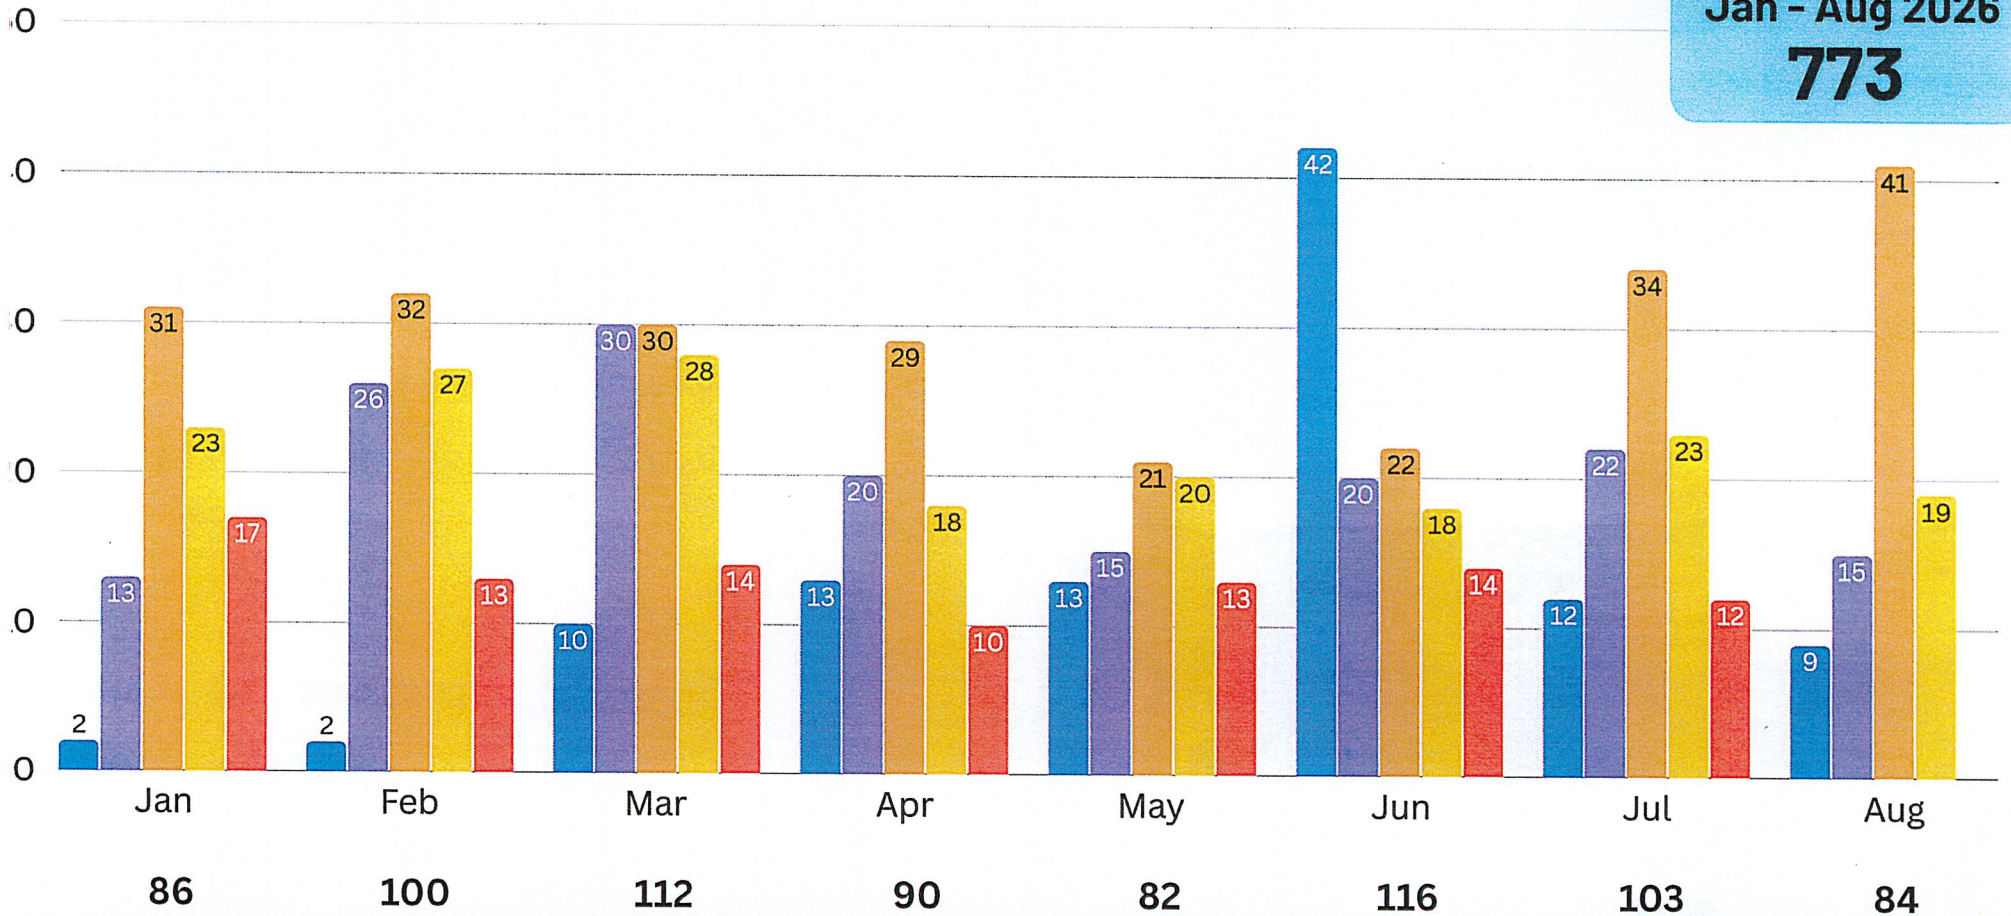

Monday Tuesday Wednesday Thursday Private Bookings

2026 Transportation Data

Monday Tuesday Wednesday Thursday Private Bookings

Ridership
Jan - Aug 2026
773

LodgeLink's First Year

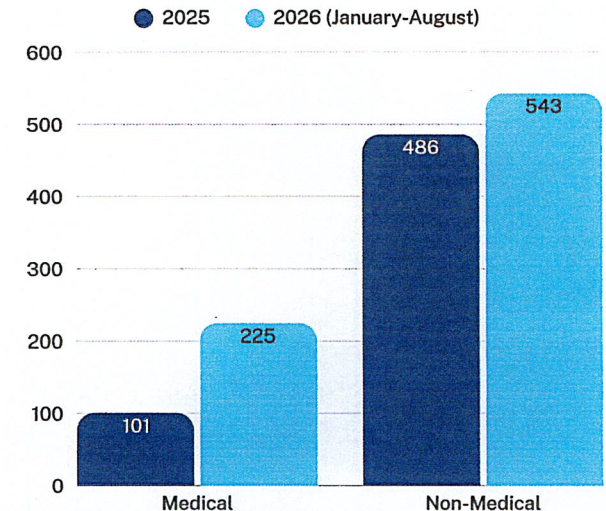

From May 20, 2025 to May 26, 2026:

- 316 total rides
- 140 Tuesday rides
- 176 Thursday rides
- Connected residents to shopping, medical care, services, and community activities

Medical vs Non-Medical (all routes)

- 2025 had 101 trips for medical purposes
- 2025 had 486 trips for non-medical
- As of August 2026, 225 trips for medical purposes
- As of August 2026, 543 trips for non-medical

Transportation Expansion to Hythe

December 2025, the bus routes were expanded to include pick-up in the Hamlet of Hythe.

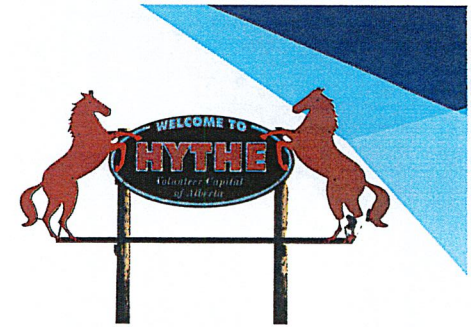

There is an increased fee for pick-up and drop-off in Hythe of \$5 extra per route.

Monday/Wednesday Route to Grande Prairie: \$15

LodgeLink Route: \$10

Expanding transportation service to Hythe will:

- Bring more customers into our town
- Encourage residents to shop local
- Increase use of local recreation facilities
- Improve access to shops, programs, and essential services
- Provide reliable transportation for seniors, youth, families, and those without vehicles
- Support consistent access to our new hospital, opening in 2028
- Strengthen our town as a welcoming regional hub

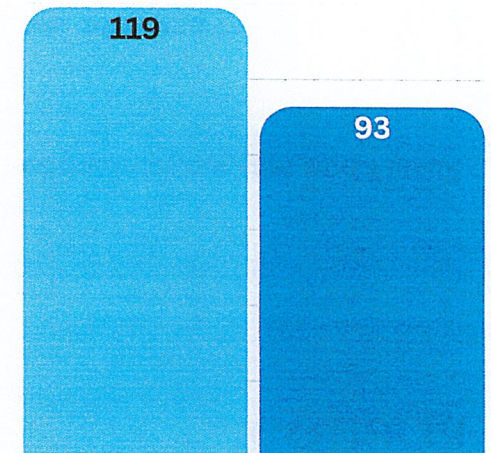

2026

January - August

● New Riders

● Hythe Riders

RURAL TRANSIT SOLUTIONS FUND (RTSF) GRANT

In February 2025, the RTSF grant funding was applied for to purchase an accessible van for the LodgeLink program and install two community bus stops with cement pads.

The new van will replace the use of the community bus on Tuesday and Thursday door-to-door routes, allowing the larger bus to focus on the Grande Prairie run.

The smaller, more maneuverable design of the van will help drivers get riders closer to their homes and destinations while continuing to provide accessible transportation.

The van may also support Alberta Health Services with transportation to medical appointments and following hospital discharge.

RTSF Grant Amount Awarded: \$ 232,440

Town of Beaverlodge Contribution: \$ 20,111

Project Must be Completed by March 31, 2030

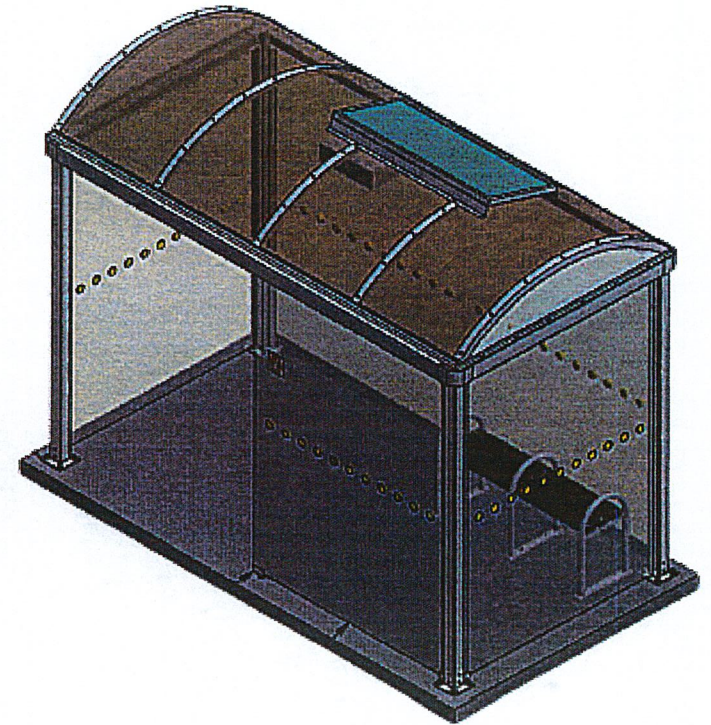

EXAMPLES OF ASSESTS

2026 Ram Promaster - can accomadate up to 10 passengers with a combination of up to 8 ambulatory seats or 3 wheelchairs.

Value: ~\$180,000 - \$200,000

5' x 10' Transit Shelter w/2 seat bench, solar lighting and anti-graffiti film.

Value: ~ \$12,000

Growth Will Require Planned Investment

Reliable service requires sustainable funding and a long-term operating and asset-management plan

OPERATIONS

- *Dedicated dispatch may be needed*
- *Medical bookings require complex coordination*
- *Online or centralized booking should be explored*
- *Capacity and trip priorities may need clear policies*

STAFFING

- *A second full-time driver may be required*
- *Backup coverage is needed for illness and vacation*
- *Training, licensing and overtime add costs*
- *Driver workload must remain safe and manageable*

FUNDING & ASSETS

- *Operating costs will require ongoing Council funding*
- *Plan for increased fuel, insurance, and rising maintenance*
- *Build reserves for vehicle replacement*
- *Maintain, repair and clear snow from bus shelters*
- *Potential partnerships with the County, AHS or community organizations*

2026 Transportation Costs Are Expected to Rise

2025 ACTUAL

- **Expenses: \$31,831**
- **Revenue: \$9,434**
- **Municipal cost: \$22,397**

2026 YEAR-TO-DATE

As of August 18

- **Expenses: \$29,620**
- **Revenue: \$6,691**
- **Municipal cost: \$22,929**

2026 PROJECTED

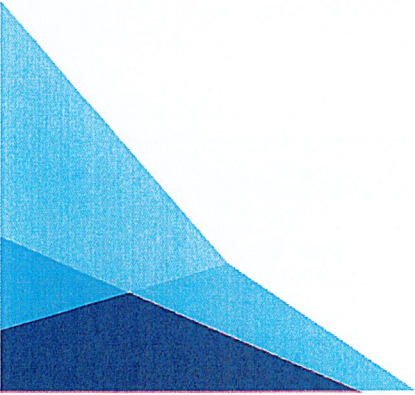

- **Expenses: \$43,551**
- **Revenue: \$10,618**
- **Municipal cost: \$32,932**

**Projected municipal cost increase:
\$10,535—or 47%—over 2025.**

Projection assumption: August 18 is day 230 of 2026. Current variable costs and revenue were annualized over 365 days; insurance remained fixed.

Council may wish to include a 5% to 10% contingency for continued demand growth, unexpected repairs and fuel-price changes.

Subject: {External}Invitation for Beaverlodge to Become a Founding Resilience Community

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Dear Mayor Rycroft,

Beaverlodge knows resilience.

In a close-knit northern Alberta community, resilience is part of everyday life. It is seen in agricultural and resource-sector families adapting to economic uncertainty, residents responding to severe weather and emergencies, caregivers supporting loved ones, and neighbours and volunteers stepping forward whenever someone needs help.

I am writing to invite the Town of Beaverlodge to participate in National Resilience Day™ on September 24, 2026.

National Resilience Day™ was created through When Life Changes Everything™ to recognize people who rebuild after illness, loss, trauma, displacement, job disruption and other unexpected life changes—and the communities that help make recovery possible. Our national objective is to inspire 1,000,000 Acts of Resilience™ across Canada.

The initiative asks one important question:

What happens after life changes without warning?

We respectfully ask Beaverlodge to consider three opportunities:

1. **Acknowledge September 24, 2026, as National Resilience Day™** through a municipal proclamation, Council resolution, mayoral message, letter of support, Town communication or another form of recognition consistent with Beaverlodge's policies.
2. **Participate in 1,000,000 Acts of Resilience™** by sharing the campaign through existing Town channels and encouraging residents, schools, businesses, agricultural and resource-sector organizations, healthcare providers, first responders and community groups to undertake meaningful Acts of Resilience™.
3. **Become a Founding Resilience Community** by sharing Beaverlodge's stories of perseverance, compassion and community leadership and helping inspire other northern and rural communities across Canada.

An Act of Resilience™ can be as simple as checking on someone experiencing difficulty, supporting a caregiver, helping a neighbour after illness or job loss, recognizing a volunteer, thanking a first responder or reminding someone, “You can move forward from this.”

Beaverlodge already has many of the building blocks of a resilient community. FCSS provides preventive programs, Emergency Social Services, seniors outreach, youth empowerment, newcomer assistance, volunteer programs and connections to essential resources. The volunteer fire department protects the town and surrounding county through fire protection, rescue services, medical co-response and community education.

National Resilience Day™ would connect these efforts through a broader public message of resilience, hope and purpose. It provides a bridge between emergency response and personal recovery: emergency services address the immediate crisis, while resilience asks how individuals and families rebuild afterward.

There is no participation fee, required financial contribution, contractual obligation or long-term commitment associated with these requests. Beaverlodge would not be required to establish a new program, organize a major event or undertake fundraising. There are no membership dues, reporting obligations, data-sharing requirements or prescribed activities.

When Life Changes Everything™ provides the national leadership, coordination and campaign materials. The Town would retain complete control over whether and how it participates.

We would provide Beaverlodge with a complimentary digital toolkit containing suggested acknowledgement and proclamation language, social-media graphics, sample posts, newsletter copy, printable posters and community activity ideas. The Town could use as much or as little of the material as it considers appropriate.

Beaverlodge’s participation would give National Resilience Day™ a meaningful northern Alberta voice and demonstrate how smaller communities can provide powerful national leadership.

I would welcome a brief 15–20 minute virtual conversation with you or the appropriate Town representative to discuss these three requests.

Thank you for considering this invitation and for the work you and Council do to strengthen Beaverlodge.

Resilience. Hope. Purpose.

Warm regards,

Dr. Allen Lycka

Council Report – Alberta Community Partnership Grant Application

Subject: Pavement and Sidewalk Assessment Study – Alberta Community Partnership Grant

Background:

Administration is proposing that the Town of Beaverlodge partner with the Town of Wembley and the Town of Sexsmith to apply for funding through the **Alberta Community Partnership (ACP) Program** to undertake a **Pavement and Sidewalk Assessment Study**.

The Town of Beaverlodge's last pavement and sidewalk assessment study was completed in **2018**. Given the time that has passed, Administration believes an updated assessment would provide valuable information regarding the current condition of the Town's pavement and sidewalk infrastructure and assist with identifying and prioritizing future maintenance, rehabilitation, and capital replacement needs.

Should the ACP grant application be successful, the study would provide updated information to support long-term infrastructure planning and budgeting. Partnering with neighbouring municipalities also provides an opportunity to undertake the assessment collaboratively while accessing grant funding to assist with the cost.

Under the proposed partnership, the **Town of Sexsmith will act as the Managing Partner**, submitting the grant application and managing the grant funds on behalf of the participating municipalities.

Administration Recommendation:

Administration recommends that Council support the Town of Beaverlodge's participation in the joint ACP grant application for the Pavement and Sidewalk Assessment Study.

Proposed Resolution:

THAT Council supports the joint application for funding under the Alberta Community Partnership (ACP) program for the Pavement and Sidewalk Assessment Study project; and

THAT Council authorizes Town of Beaverlodge to participate in this project alongside partner municipalities and Town of Wembley; and

THAT Town of Sexsmith is designated as the Managing Partner for the project and is authorized to submit the grant application and manage the funds on behalf of the partnership.

Subject: {External}Your Early Access Invite: One Loud Voice, October 19

GPRTA is pleased to invite Mayor Rycroft, Council, and municipal staff to breakfast and a keynote on October 19, with a working session to follow if your day allows. As our organization evolves, and our brand along with it, we wanted our municipal partners to be part of this next chapter from the start.

The Grande Prairie Regional Tourism Association (GPRTA), with the Chamber of Commerce, Grande Prairie & District as promotional and networking partner, is pleased to welcome global researcher and two-time bestselling author David Allison to Grande Prairie on October 19 for **One Loud Voice**.

David has spent his career studying why people actually choose the places they visit, live in, and invest in, work he's brought to organizations including Google, PayPal, and the United Nations Foundation. This year, he turned that lens on Northwestern Alberta. David will unveil the results, which include four interactive dashboards built specifically for our region, each answering a different question that matters to your business:

1. **Residents:** what drives pride of place here, and how to harness it for investment attraction and business development
2. **Travelers:** what motivates people to visit, so you can sharpen your own marketing and guest experience
3. **Potential Residents:** what it takes to attract new talent to the region
4. **B2B:** how to grow our presence in the competitive marketplace

At its core, this work is about strengthening our region's destination brand and putting it to work for your business goals. Whether you're focused on attracting talent, growing visitation, drawing investment, or building B2B opportunity, you'll leave with a clear line of sight between the data and your next move.

The morning opens with breakfast and David's keynote, followed by a working session where attendees leave with concrete direction on how to put these dashboards to use.

We're extending early registration to municipal partners until Sept 18. The event will open to the public on Sept 22.
