# Why We're Expanding Transportation in Beaverlodge

**Transportation is more than a convenience—it's a lifeline.**

Reliable transportation connects rural residents to health care, shopping, essential services, recreation, and community life. To improve access, Beaverlodge increased Grande Prairie trips from once to twice weekly and introduced Tuesday/Thursday door-to-door service.

This expansion is more than just a convenient ride — **it's a crucial step in addressing rural isolation, improving mental health, and boosting the local economy.**

# Two Services Connect Residents to What They Need

- As of August 2026, 543 trips for non-medical

# Transportation Expansion to Hythe

There is an increased fee for pick-up and drop-off in Hythe of \$5 extra per route.

# RURAL TRANSIT SOLUTIONS FUND (RTSF) GRANT

In February 2025, the RTSF grant funding was applied for to purchase an accessible van for the LodgeLink program and install two community bus stops with cement pads.

The new van will replace the use of the community bus on Tuesday and Thursday door-to-door routes, allowing the larger bus to focus on the Grande Prairie run.

The smaller, more maneuverable design of the van will help drivers get riders closer to their homes and destinations while continuing to provide accessible transportation.

The van may also support Alberta Health Services with transportation to medical appointments and following hospital discharge.

**RTSF Grant Amount Awarded: \$ 232,440**

**Town of Beaverlodge Contribution: \$ 20,111**

**Project Must be Completed by March 31, 2030**

# EXAMPLES OF ASSESTS

2026 Ram Promaster - can accomadate up to 10 passengers with a combination of up to 8 ambulatory seats or 3 wheelchairs.

# Growth Will Require Planned Investment

Reliable service requires sustainable funding and a long-term operating and asset-management plan

## OPERATIONS

- *Medical bookings require complex coordination*
- *Online or centralized booking should be explored*
- *Capacity and trip priorities may need clear policies*

## STAFFING

- *A second full-time driver may be required*
- *Backup coverage is needed for illness and vacation*
- *Training, licensing and overtime add costs*
- *Driver workload must remain safe and manageable*

## FUNDING & ASSETS

- *Operating costs will require ongoing Council funding*
- *Plan for increased fuel, insurance, and rising maintenance*
- *Build reserves for vehicle replacement*
- *Maintain, repair and clear snow from bus shelters*
- *Potential partnerships with the County, AHS or community organizations*

**Subject:** {External} Invitation for Beaverlodge to Become a Founding Resilience Community

**CAUTION:** This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Dear Mayor Rycroft,

Beaverlodge knows resilience.

In a close-knit northern Alberta community, resilience is part of everyday life. It is seen in agricultural and resource-sector families adapting to economic uncertainty, residents responding to severe weather and emergencies, caregivers supporting loved ones, and neighbours and volunteers stepping forward whenever someone needs help.

I am writing to invite the Town of Beaverlodge to participate in National Resilience Day™ on September 24, 2026.

National Resilience Day™ was created through When Life Changes Everything™ to recognize people who rebuild after illness, loss, trauma, displacement, job disruption and other unexpected life changes—and the communities that help make recovery possible. Our national objective is to inspire 1,000,000 Acts of Resilience™ across Canada.

The initiative asks one important question:

What happens after life changes without warning?

We respectfully ask Beaverlodge to consider three opportunities:

1. **Acknowledge September 24, 2026, as National Resilience Day™** through a municipal proclamation, Council resolution, mayoral message, letter of support, Town communication or another form of recognition consistent with Beaverlodge's policies.
2. **Participate in 1,000,000 Acts of Resilience™** by sharing the campaign through existing Town channels and encouraging residents, schools, businesses, agricultural and resource-sector organizations, healthcare providers, first responders and community groups to undertake meaningful Acts of Resilience™.
3. **Become a Founding Resilience Community** by sharing Beaverlodge's stories of perseverance, compassion and community leadership and helping inspire other northern and rural communities across Canada.

An Act of Resilience™ can be as simple as checking on someone experiencing difficulty, supporting a caregiver, helping a neighbour after illness or job loss, recognizing a volunteer, thanking a first responder or reminding someone, “You can move forward from this.”

Beaverlodge already has many of the building blocks of a resilient community. FCSS provides preventive programs, Emergency Social Services, seniors outreach, youth empowerment, newcomer assistance, volunteer programs and connections to essential resources. The volunteer fire department protects the town and surrounding county through fire protection, rescue services, medical co-response and community education.

National Resilience Day™ would connect these efforts through a broader public message of resilience, hope and purpose. It provides a bridge between emergency response and personal recovery: emergency services address the immediate crisis, while resilience asks how individuals and families rebuild afterward.

There is no participation fee, required financial contribution, contractual obligation or long-term commitment associated with these requests. Beaverlodge would not be required to establish a new program, organize a major event or undertake fundraising. There are no membership dues, reporting obligations, data-sharing requirements or prescribed activities.

When Life Changes Everything™ provides the national leadership, coordination and campaign materials. The Town would retain complete control over whether and how it participates.

We would provide Beaverlodge with a complimentary digital toolkit containing suggested acknowledgement and proclamation language, social-media graphics, sample posts, newsletter copy, printable posters and community activity ideas. The Town could use as much or as little of the material as it considers appropriate.

Beaverlodge’s participation would give National Resilience Day™ a meaningful northern Alberta voice and demonstrate how smaller communities can provide powerful national leadership.

I would welcome a brief 15–20 minute virtual conversation with you or the appropriate Town representative to discuss these three requests.

Thank you for considering this invitation and for the work you and Council do to strengthen Beaverlodge.

Resilience. Hope. Purpose.

Warm regards,

Dr. Allen Lycka
