Dear Mayor and Council,

The studio was given a quote for the washrooms on September 11 for \$37,000 (\$17,000 for the men's and \$20,000 for the women's). Is there a possibility of retrofitting the men's washroom into a simple, residential-style single bathroom (with a toilet, sink, and a lock on the main door)? At most, we have one hour a night with 20 people downstairs, and most of the time we have between 4 to 17 people. The need for a large multi-stall washroom simply isn't necessary; a single locking washroom would be more than enough for our numbers, and this kind of streamlined retrofit would save the Town substantial money compared to the full \$37,000 overhaul.

The Rhythm Dance Society has met to discuss contributing funds to help with the bathroom, but they would like to know what the timeline would be if they commit funds. From my perspective as a business, does financial backing for a streamlined single bathroom expedite the project to have us downstairs by Christmas?

Additionally, I want to reiterate that I have no expectations for the small studio and changeroom to be fixed this season. I completely understand wanting to ensure the leaks have been fixed before replacing drywall and other materials. (Note: no flooring needs to be replaced in the small studio anyway, as we would like to install another sprung floor in that room). Ideally, having the main space fixed by late spring would allow us the summer months to reinstall the sprung floor and mirrors. But in order for us to return to the larger studio, we need one working bathroom.

If we are not looking at a December return for downstairs, what does January through April look like? (The first week in May we are at the arena for our recital, which we would love for you to attend). If we are to return downstairs, what does our lease look like? Are we paying the same amount? And if we need to stay upstairs, what does that look like for cost?

We need to be realistic: without a clear path back downstairs by next fall, the long-term viability of the studio in Beaverlodge is in serious jeopardy.

Thank you for your time in this matter.

From: Rebecca Dika <rebecca@nextchapterpublishing.ca>
Subject: Re: {External}2027 ad offer/Town & Country News
Hi Jeff,

It's time.

It's time the Town of Beaverlodge got behind their local community newspaper.

We just welcomed Birch Hills County as a municipal partner with an aggressively price subscription/ad package. They join Saddle Hills County and the Town of Sexsmith who have similar partnerships with us, and have had for years.

The County of Grande Prairie has had a full page black and white ad in every edition for several years.

As Beaverlodge is home to Town & Country News, the town has an obligation to regularly support one of the few community newspapers left in Northwestern Alberta.

I know council is committed to the production of the newsletter so I am offering these rates for consideration in your upcoming budget talks for 2027.

With Town & Country News, the town can reach beyond Beaverlodge boundaries to all of their neighbours: Let them know about pool schedules, upcoming events, town services and more.

I have quoted black and white rates to offer the most cost-efficient way to round out your communications toolbox.

*Weekly full page ad: \$904.50 discounted to \$588: **35% discount**. Annual cost \$30,576*
*Weekly half-page ad: Regular price \$631.50 discounted to \$410: **35% discount**. Annual cost \$21,320*
*Bi-weekly full page ad: \$904.50 discounted to \$678: **25% discount**. Annual cost \$17,628*
*Bi-weekly half page ad: Regular price \$631.50 discounted to \$473: **25% discount**. Annual cost \$12,298*

To be frank, I can tell you that without some consistent level of support from the Town of Beaverlodge in 2027, we will be forced to move the business out of Beaverlodge. I hope you and council will see your way clear to join the other South and Central Peace municipalities in supporting community journalism.

Council should consider the coverage we have supplied through the years, on local people and organizations, the hospital replacement, arena, firehall and much.

Please let me know if you have any questions. Thanks for your consideration.

Building the Future of the South Peace Centennial Museum

The South Peace Centennial Museum & Interpretive Centre is a cornerstone of heritage, culture, and community life in the County of Grande Prairie. For more than 50 years, the Museum has preserved regional history through historic buildings, artifacts, educational programming, and large community events that welcome 8,000–10,000 visitors annually.

To continue serving our growing region and to safely support major events, school programming, and the new addition of the Bethany Banner Church, the Museum is undertaking critical infrastructure upgrades, including:

- Modern, environmentally compliant wastewater management system
- Upgraded electrical service to safely power buildings, exhibits, and large community events

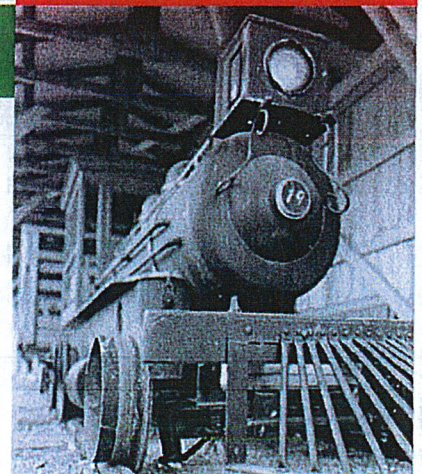

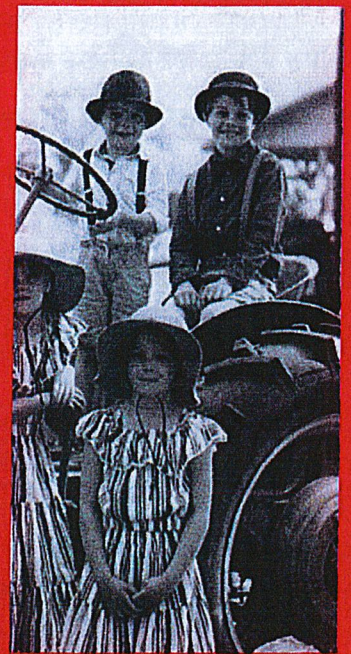

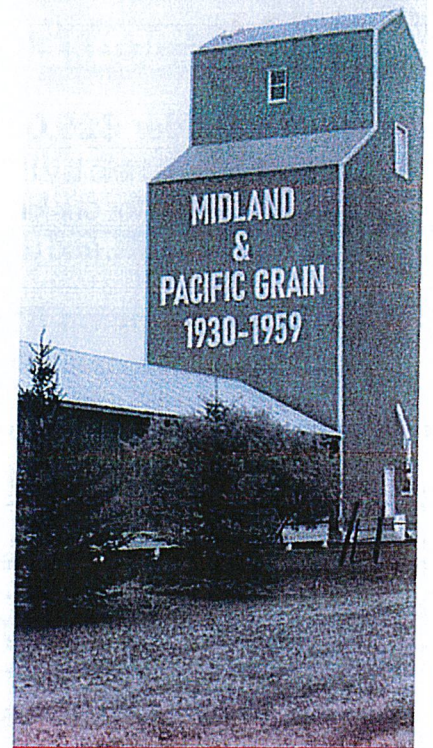

These upgrades will ensure the Museum remains safe, accessible, and sustainable for decades to come.

Why Sponsor the Museum?

Sponsoring the South Peace Centennial Museum is an investment in:

- Community well-being & safety
- Heritage preservation
- Education for local schools and families
- Tourism and economic development in the Grande Prairie region

Sponsors receive meaningful recognition, strong community visibility, and a lasting legacy connected to an essential cultural institution.

Sponsorship packages

Legacy Builder \$25,000+

Legacy Builders help lay the groundwork for the Museum's future, the kind of support that ensures this place is still here for our kids and grandkids. These gifts strengthen essential services that keep the grounds open, safe, and usable year after year.

Heritage Champion \$15,000 - \$24,999

Heritage Champions step forward to protect and improve the Museum so it can continue to tell the story of rural life, farming, and community gatherings that shaped our area.

Community Steward \$7,500 - \$14,999

Community Stewards help look after the Museum the same way people have always looked after community halls, fairgrounds, and churches, by pitching in to keep things working properly.

Preservation Patron \$2,500 - \$7,499

Preservation Patrons help maintain the Museum as a working, welcoming place, not just something to look at, but something to use for gatherings, learning, and celebration.

Museum Supporter \$1,000 - \$2,499

Museum Supporters provide solid, dependable support that helps with day-to-day needs and long-term improvements. It's a way to contribute without fanfare, but with real impact.

Community Friend \$250 - \$999

Community Friends are individuals and families who believe the Museum is worth supporting. These gifts may be modest, but they reflect real commitment and pride in our local heritage.

Heritage Friend \$25 - \$249

Heritage Friends show that preserving local history doesn't require a big cheque, just a willingness to contribute. Many of these gifts are made in memory of loved ones or as a quiet show of support.

Recognition & Appreciation

We believe recognition should match both the level of support and the preferences of the donor. Recognition options may include one or more of the following, based on the nature of the contribution and the wishes of the supporter.

Recognition options may include:

- Listing on a permanent donor recognition board at the Museum
- Acknowledgement on the Museum website
- Recognition through social media and newsletters
- Inclusion in the Museum's annual report or donor listings
- Recognition at community events or project milestone gatherings
- On-site signage during or after construction
- Custom plaques for significant contributions
- Naming recognition for specific project components, where appropriate
- Acknowledgement in press releases or local media
- Invitations to project tours, ribbon-cuttings, or appreciation events
- Recognition of gifts made in honour or memory of loved ones
- Option to remain anonymous, if preferred

Recognition is always offered with gratitude and respect, and supporters are welcome to choose the type and level of acknowledgement that feels right for them.

Community Impact

Your sponsorship directly supports:

- Safe, modern facilities for families, seniors, and school groups
- Expanded capacity for festivals, markets, and cultural events
- Environmental protection and regulatory compliance
- Long-term sustainability of a regional heritage destination

These upgrades are foundational—without them, future programming and growth are limited.

Other Ways to Get Involved

Not everyone is able to give financially and that's okay. The South Peace Centennial Museum has always been built on community involvement, and there are many meaningful ways to support the Museum beyond sponsorship.

Volunteer Your Time

Volunteers are the backbone of the Museum. Whether you have a few hours or a full season to give, your time makes a real difference.

Ways to volunteer include:

- Event setup, takedown, and admissions support
- Grounds and building upkeep
- Demonstrations, tours, and assisting with school programs
- Baking, cooking, or serving at community events
- Sharing skills in trades, agriculture, mechanics, or heritage crafts

Support our Annual Events

Our events bring families together and keep local traditions alive. Supporting them by attending, sponsoring, or lending a hand helps cover operating costs and keeps admission affordable.

Key events include:

- Show & Shine
- Pioneer Days
- Harvest Festival
- Halloween Event
- Old Fashioned Christmas

Support can include:

- Event sponsorships
- Donating supplies or food
- Helping on event days
- Promoting events within your network

In Kind Donations & Services

Many of the Museum's improvements happen thanks to donated materials, equipment use, and skilled labour.

In-kind support may include:

- Building or electrical materials
- Equipment use and repair (tractors, trailers, lifts)
- Professional services or trade skills
- Printing, signage, or promotional help

Attend, Participate & Spread the Word

Simply being involved matters! Community pride and word-of-mouth support are essential to the Museum's success.

- Visit the Museum with family and friends
- Bring guests from out of town
- Share our events and fundraising efforts
- Talk about why the Museum matters to you
